"The Decepticons must rule earth!" snarls Megatron.

"Sunken ships loaded with gold from the Alaskan Gold Rush have made this coast an undersea treasure trove!" shouts Megatron.

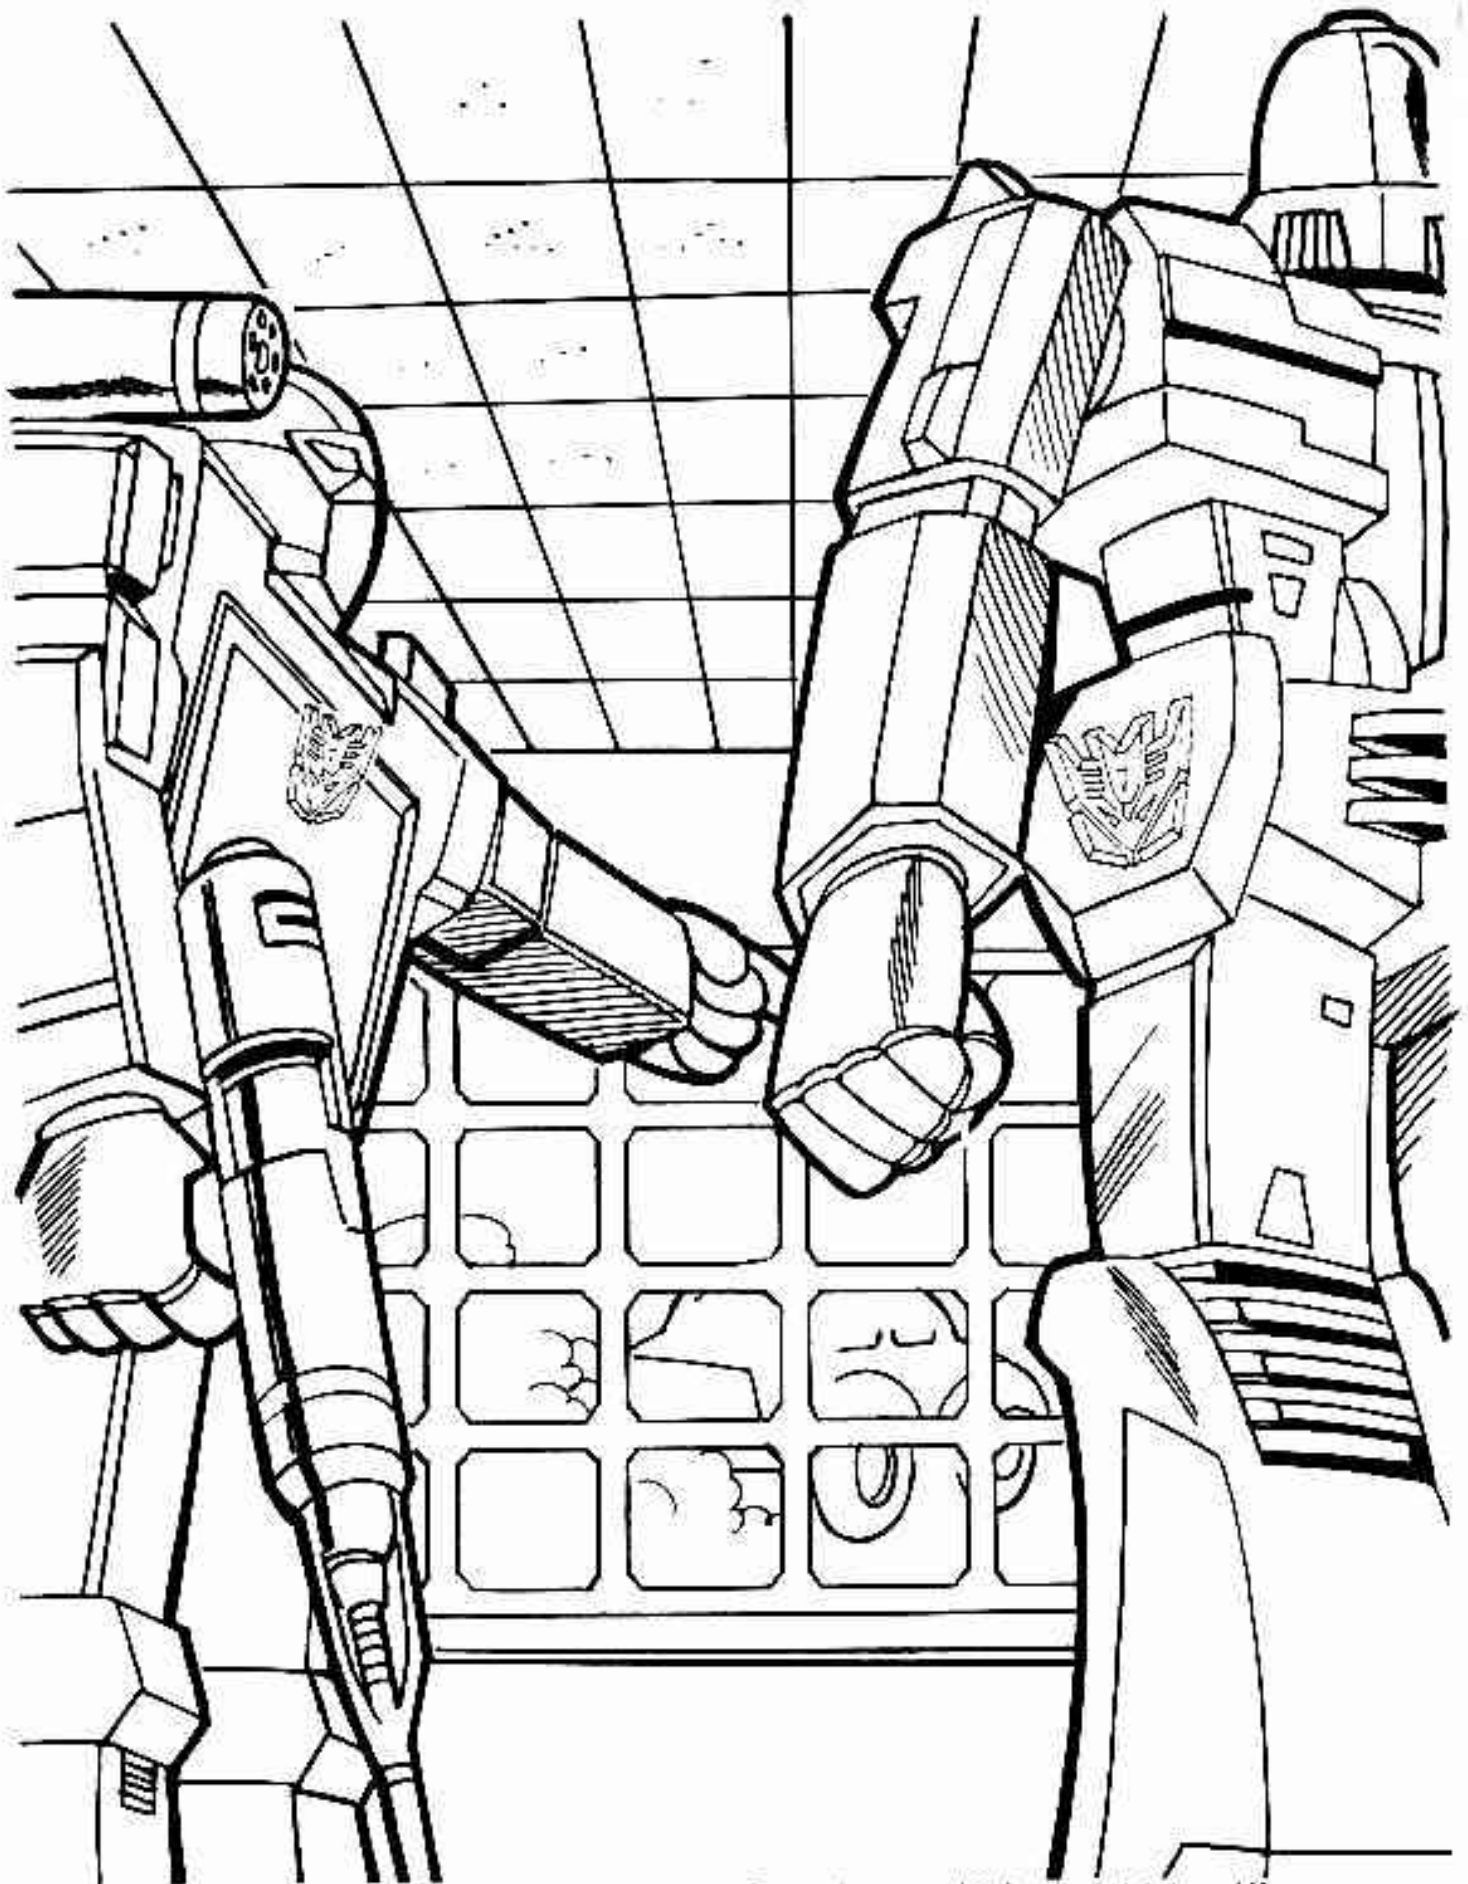

"With that treasure we can buy human factories and have them make an army of Decepticons to rule earth and crush the Autobots!"
shouts Megatron.

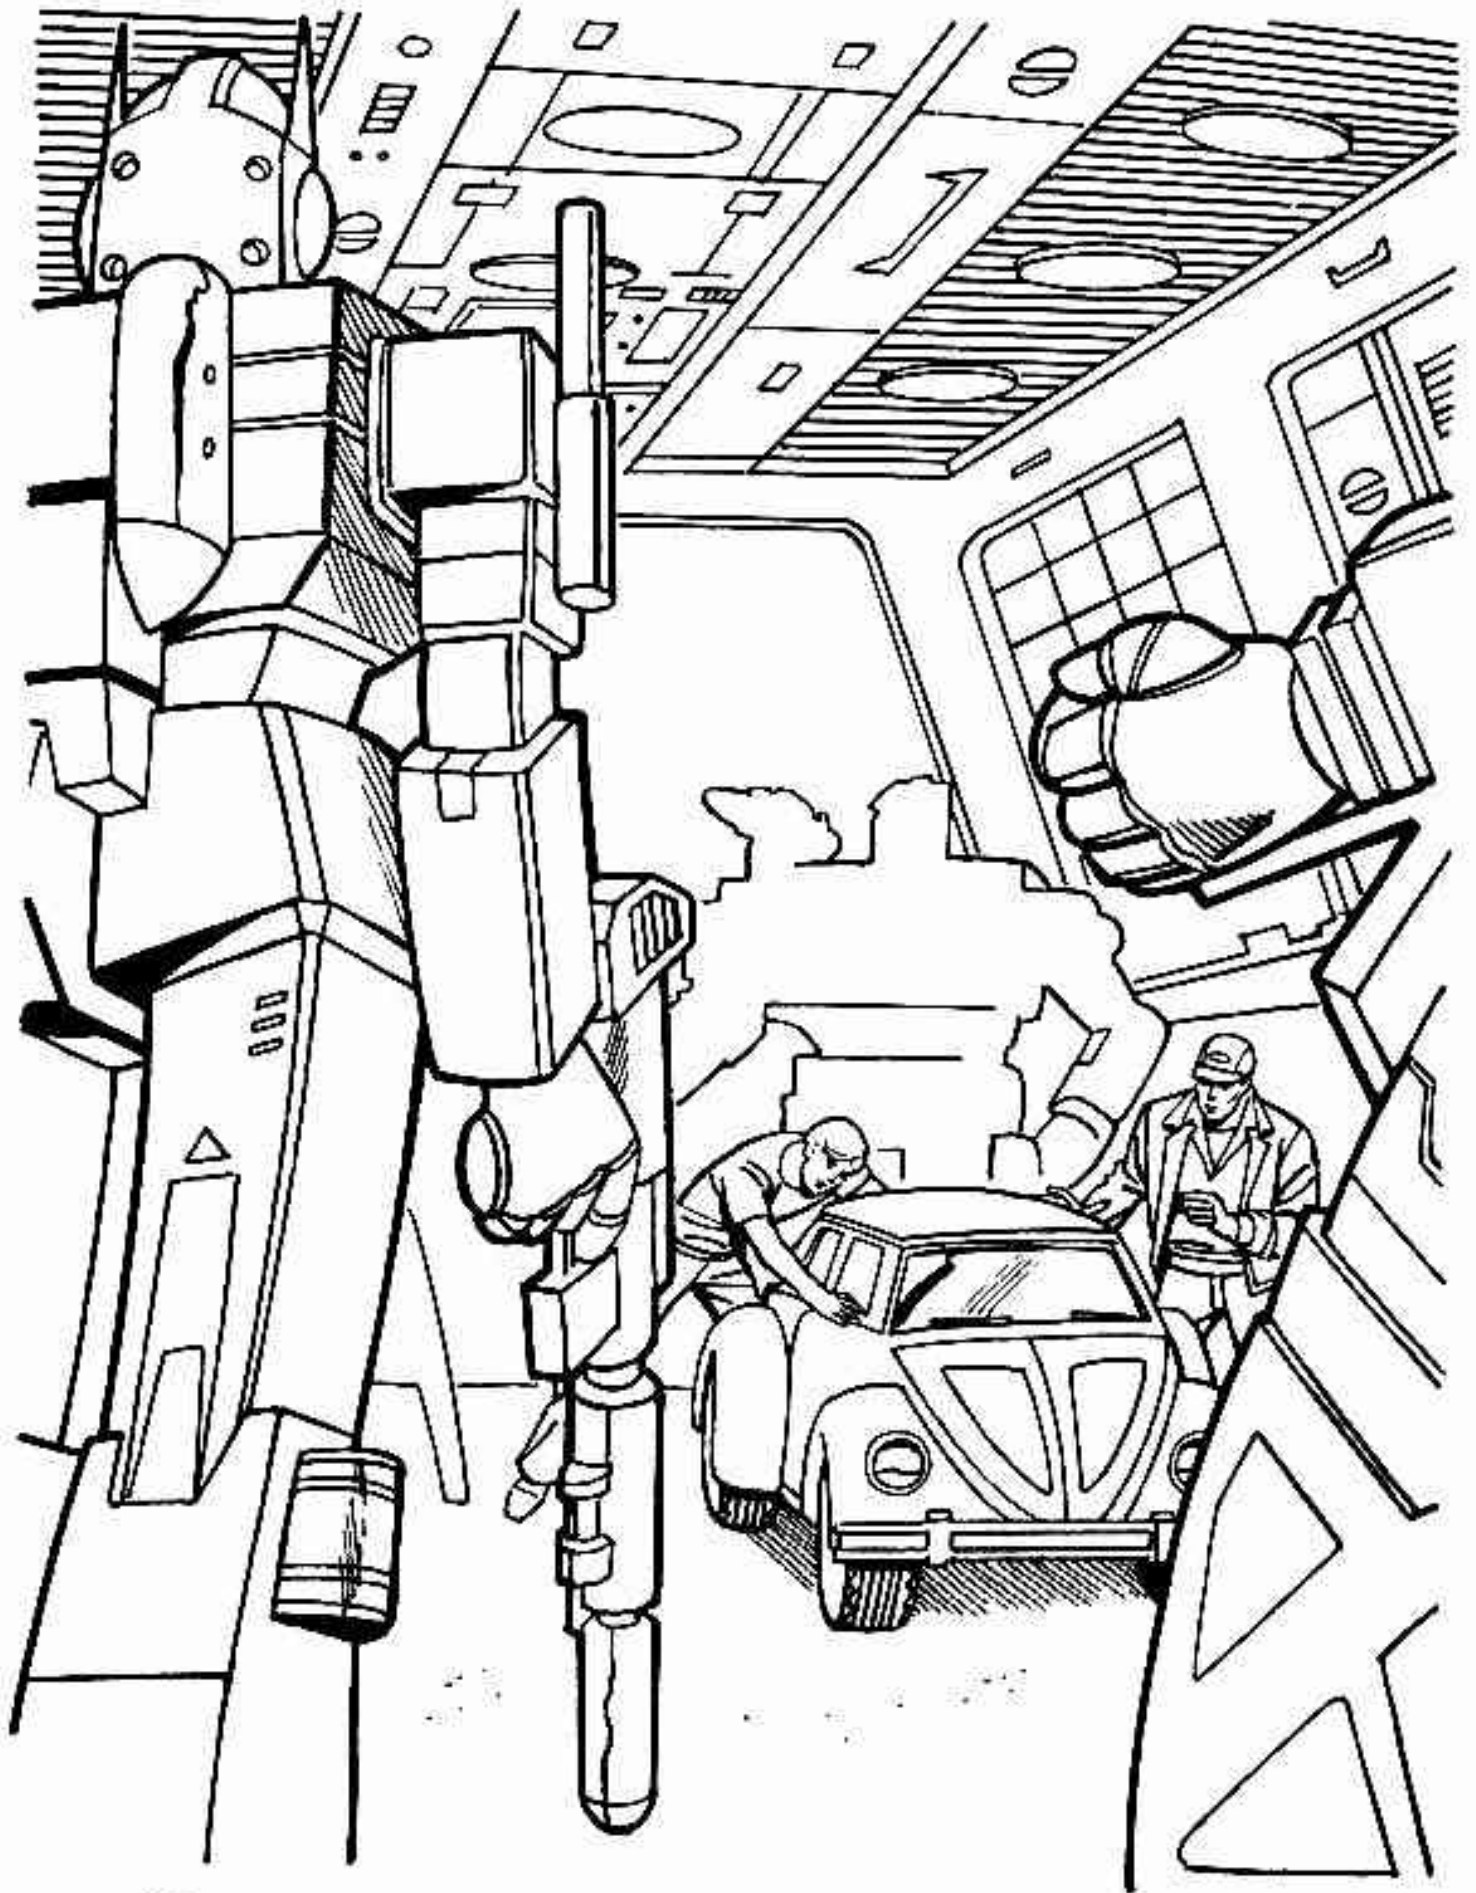

"This is big trouble!" says Bumblebee. "I must warn the other Autobots!"

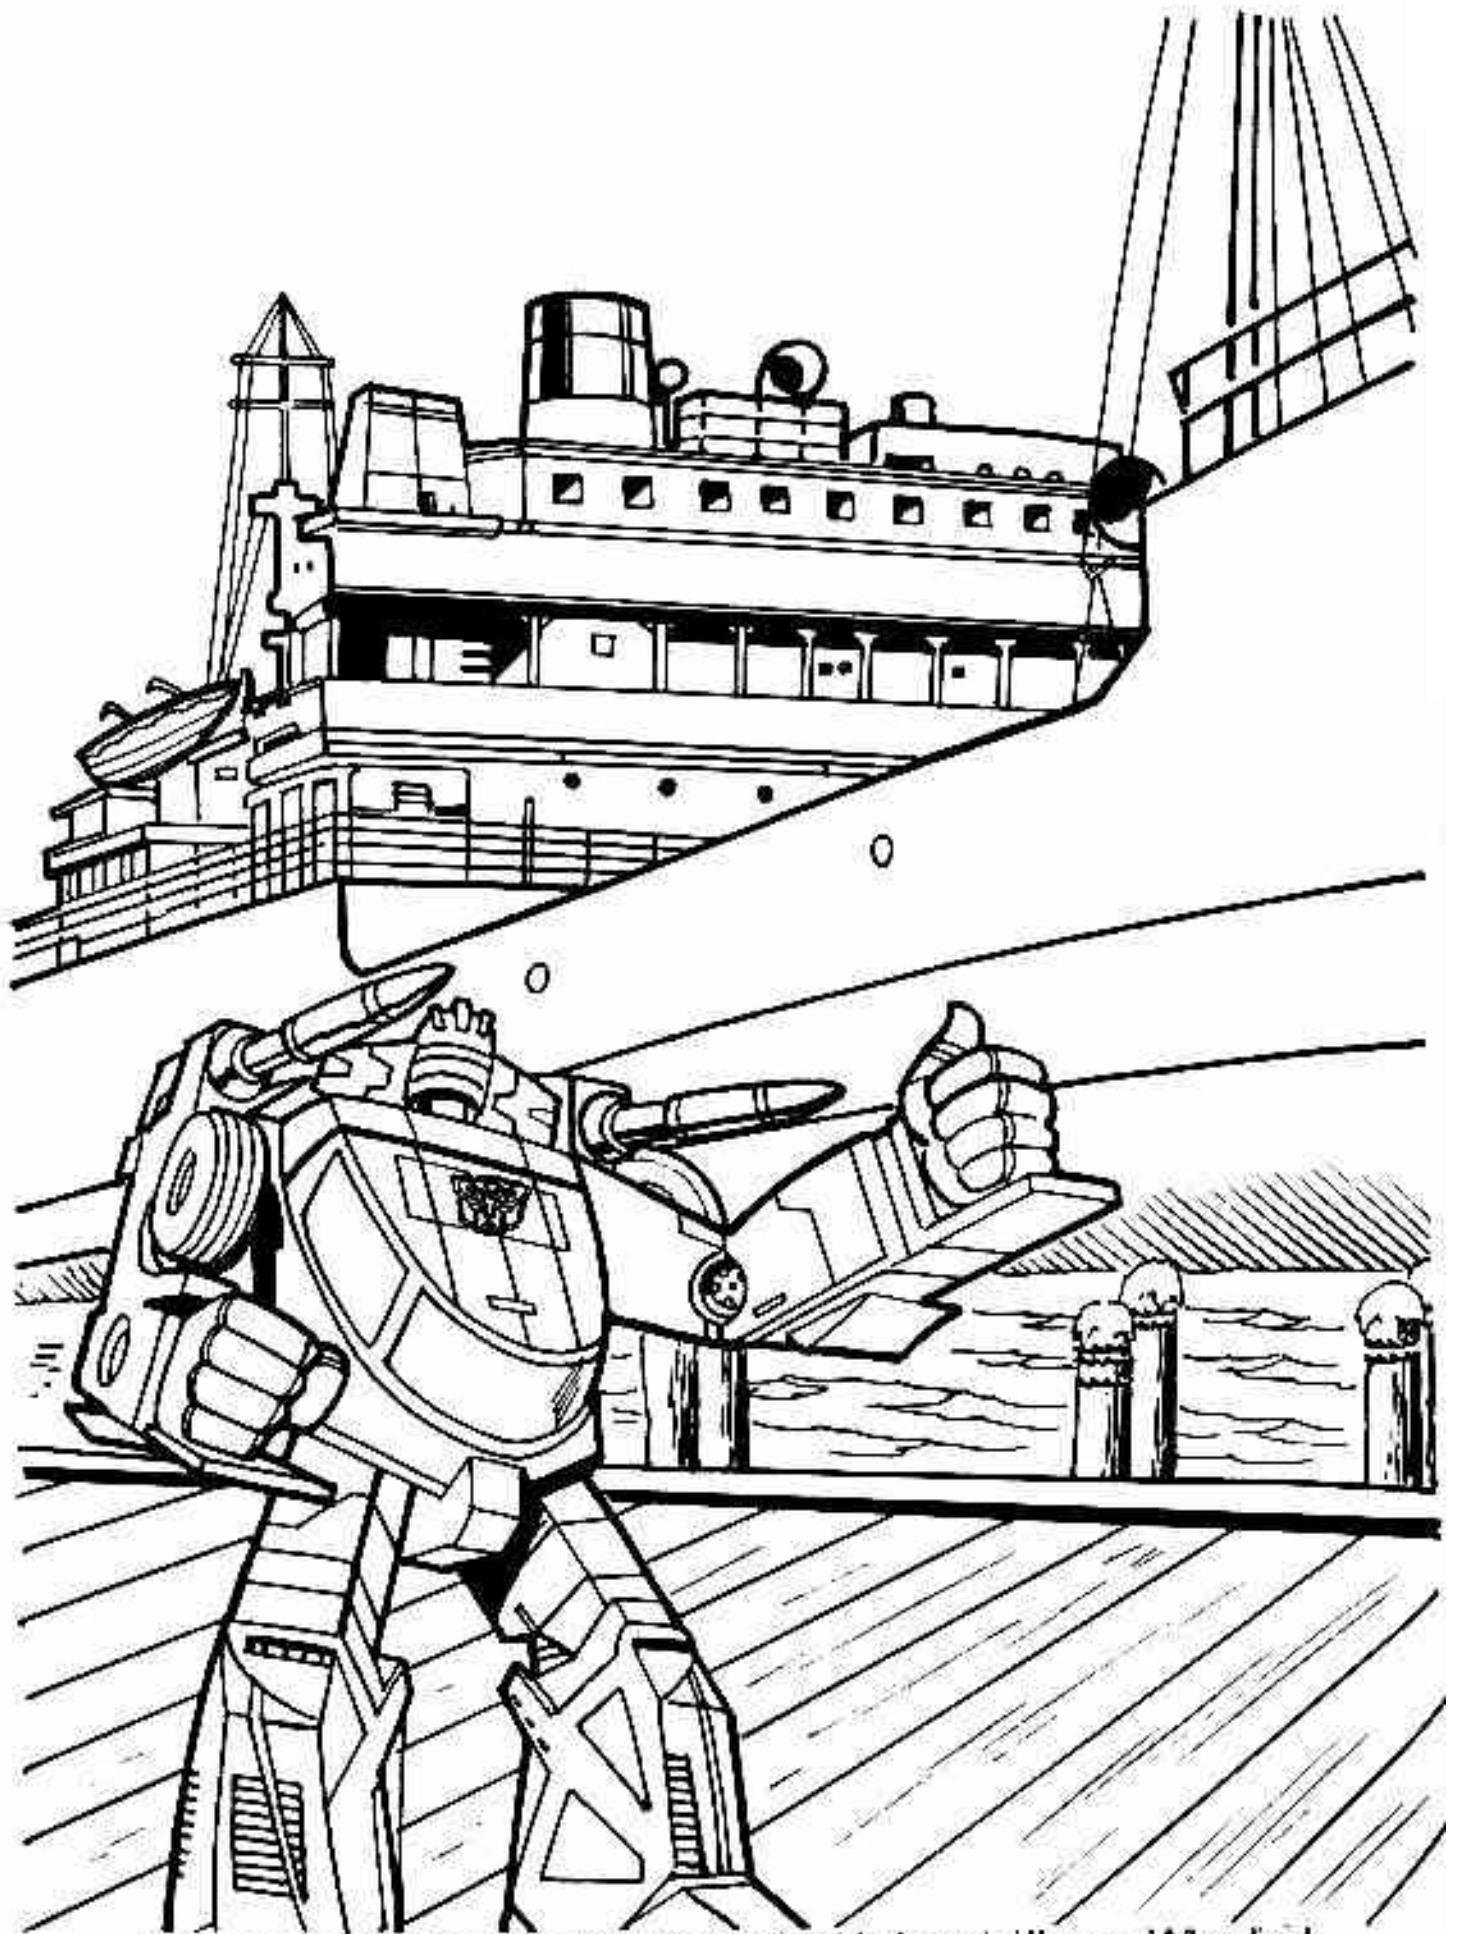

"I'll zoom away as a car and be gone before the Decepticons know I'm here!" says Bumblebee.

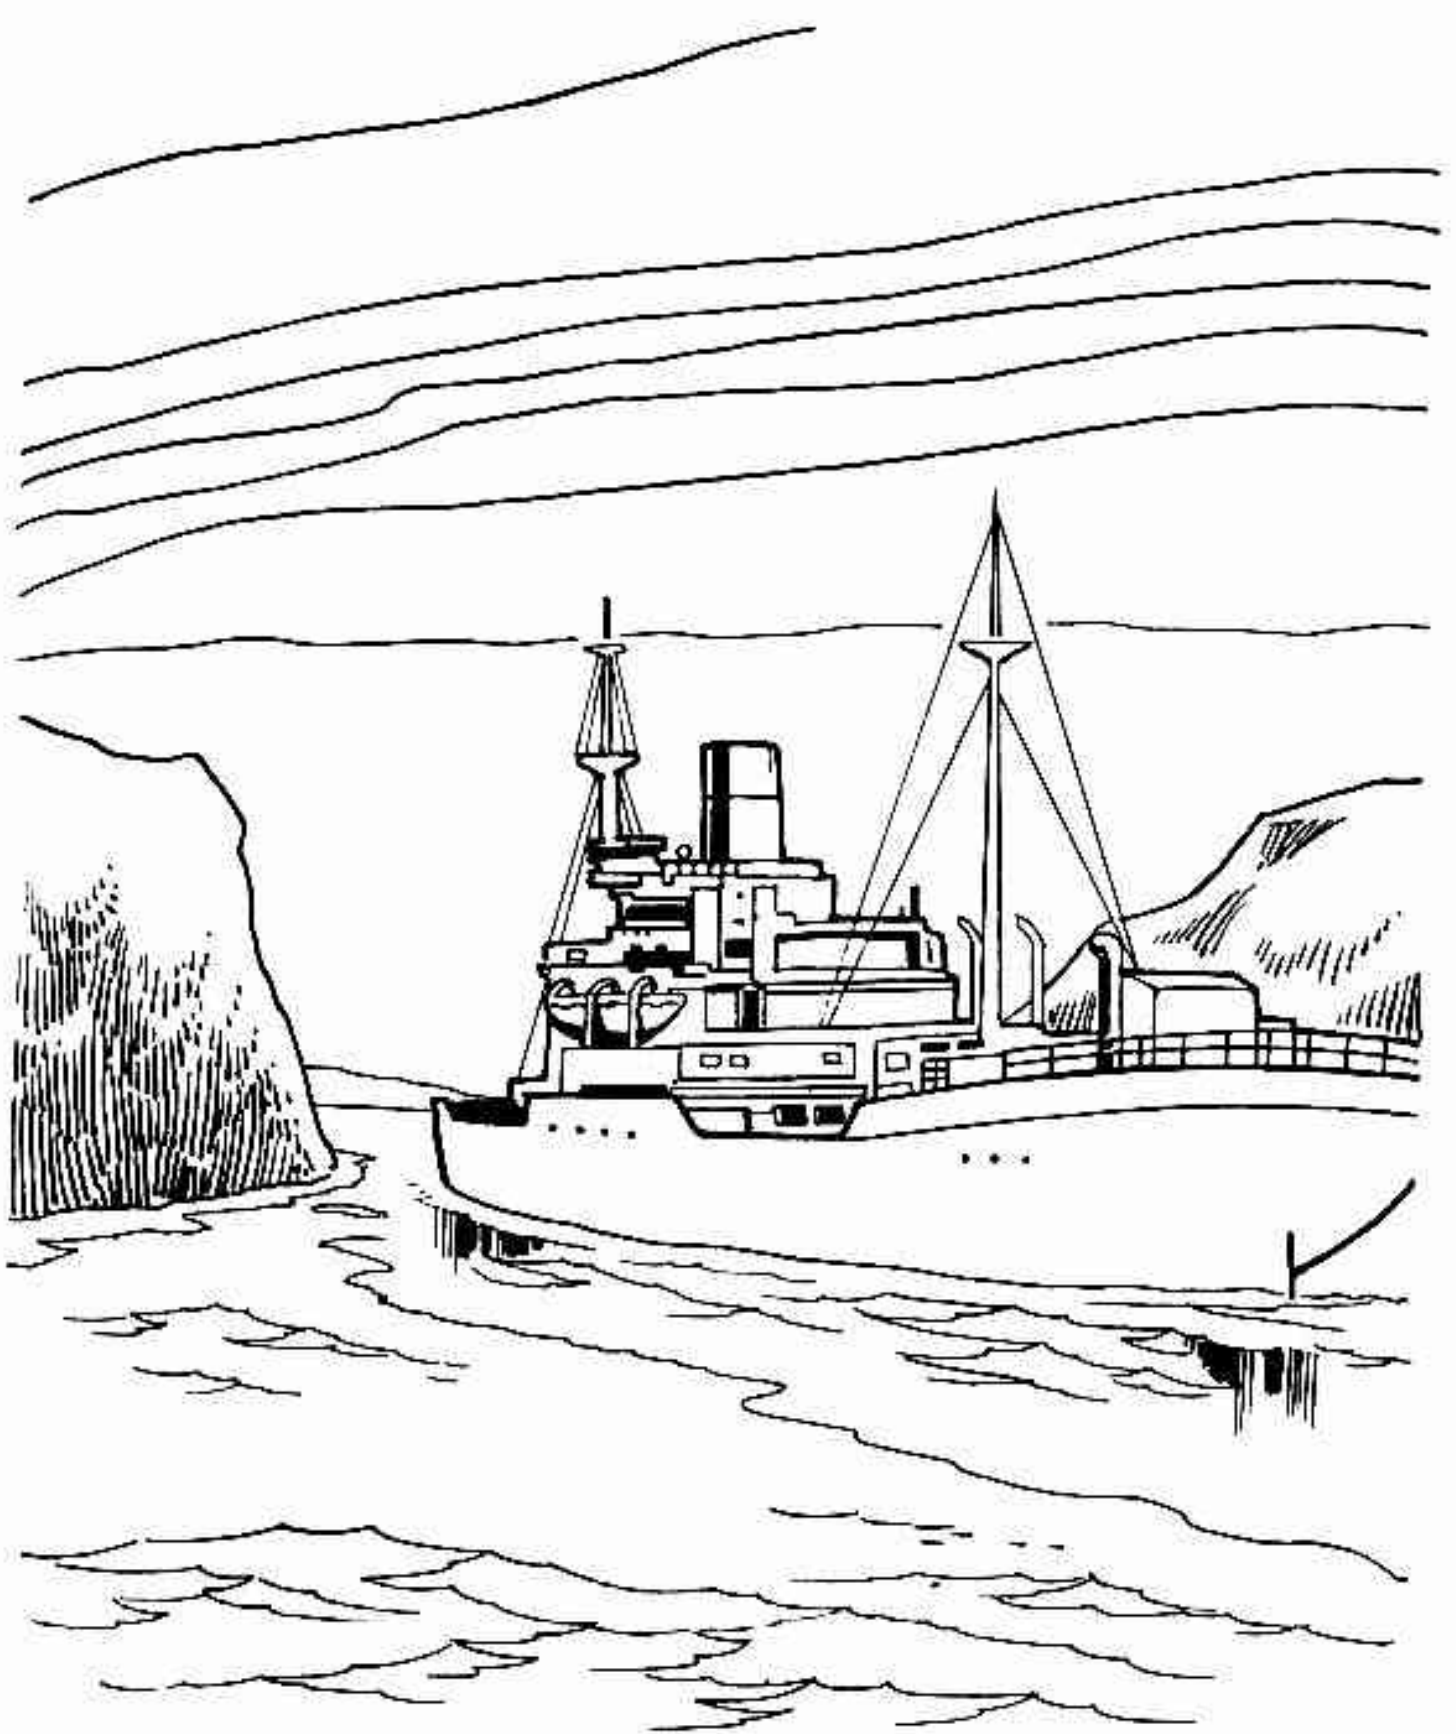

"I knew I heard a spy!" growls Soundwave. "It's Bumblebee!"
"Good!" says Megatron. "Now we can trap the Autobots and get the treasure at the same time!"

"The Decepticons are going to try to rule earth!" says Bumblebee.
"We must stop them!" says Optimus Prime.

"We can follow the Decepticons in this ship I made!" says Wheeljack.

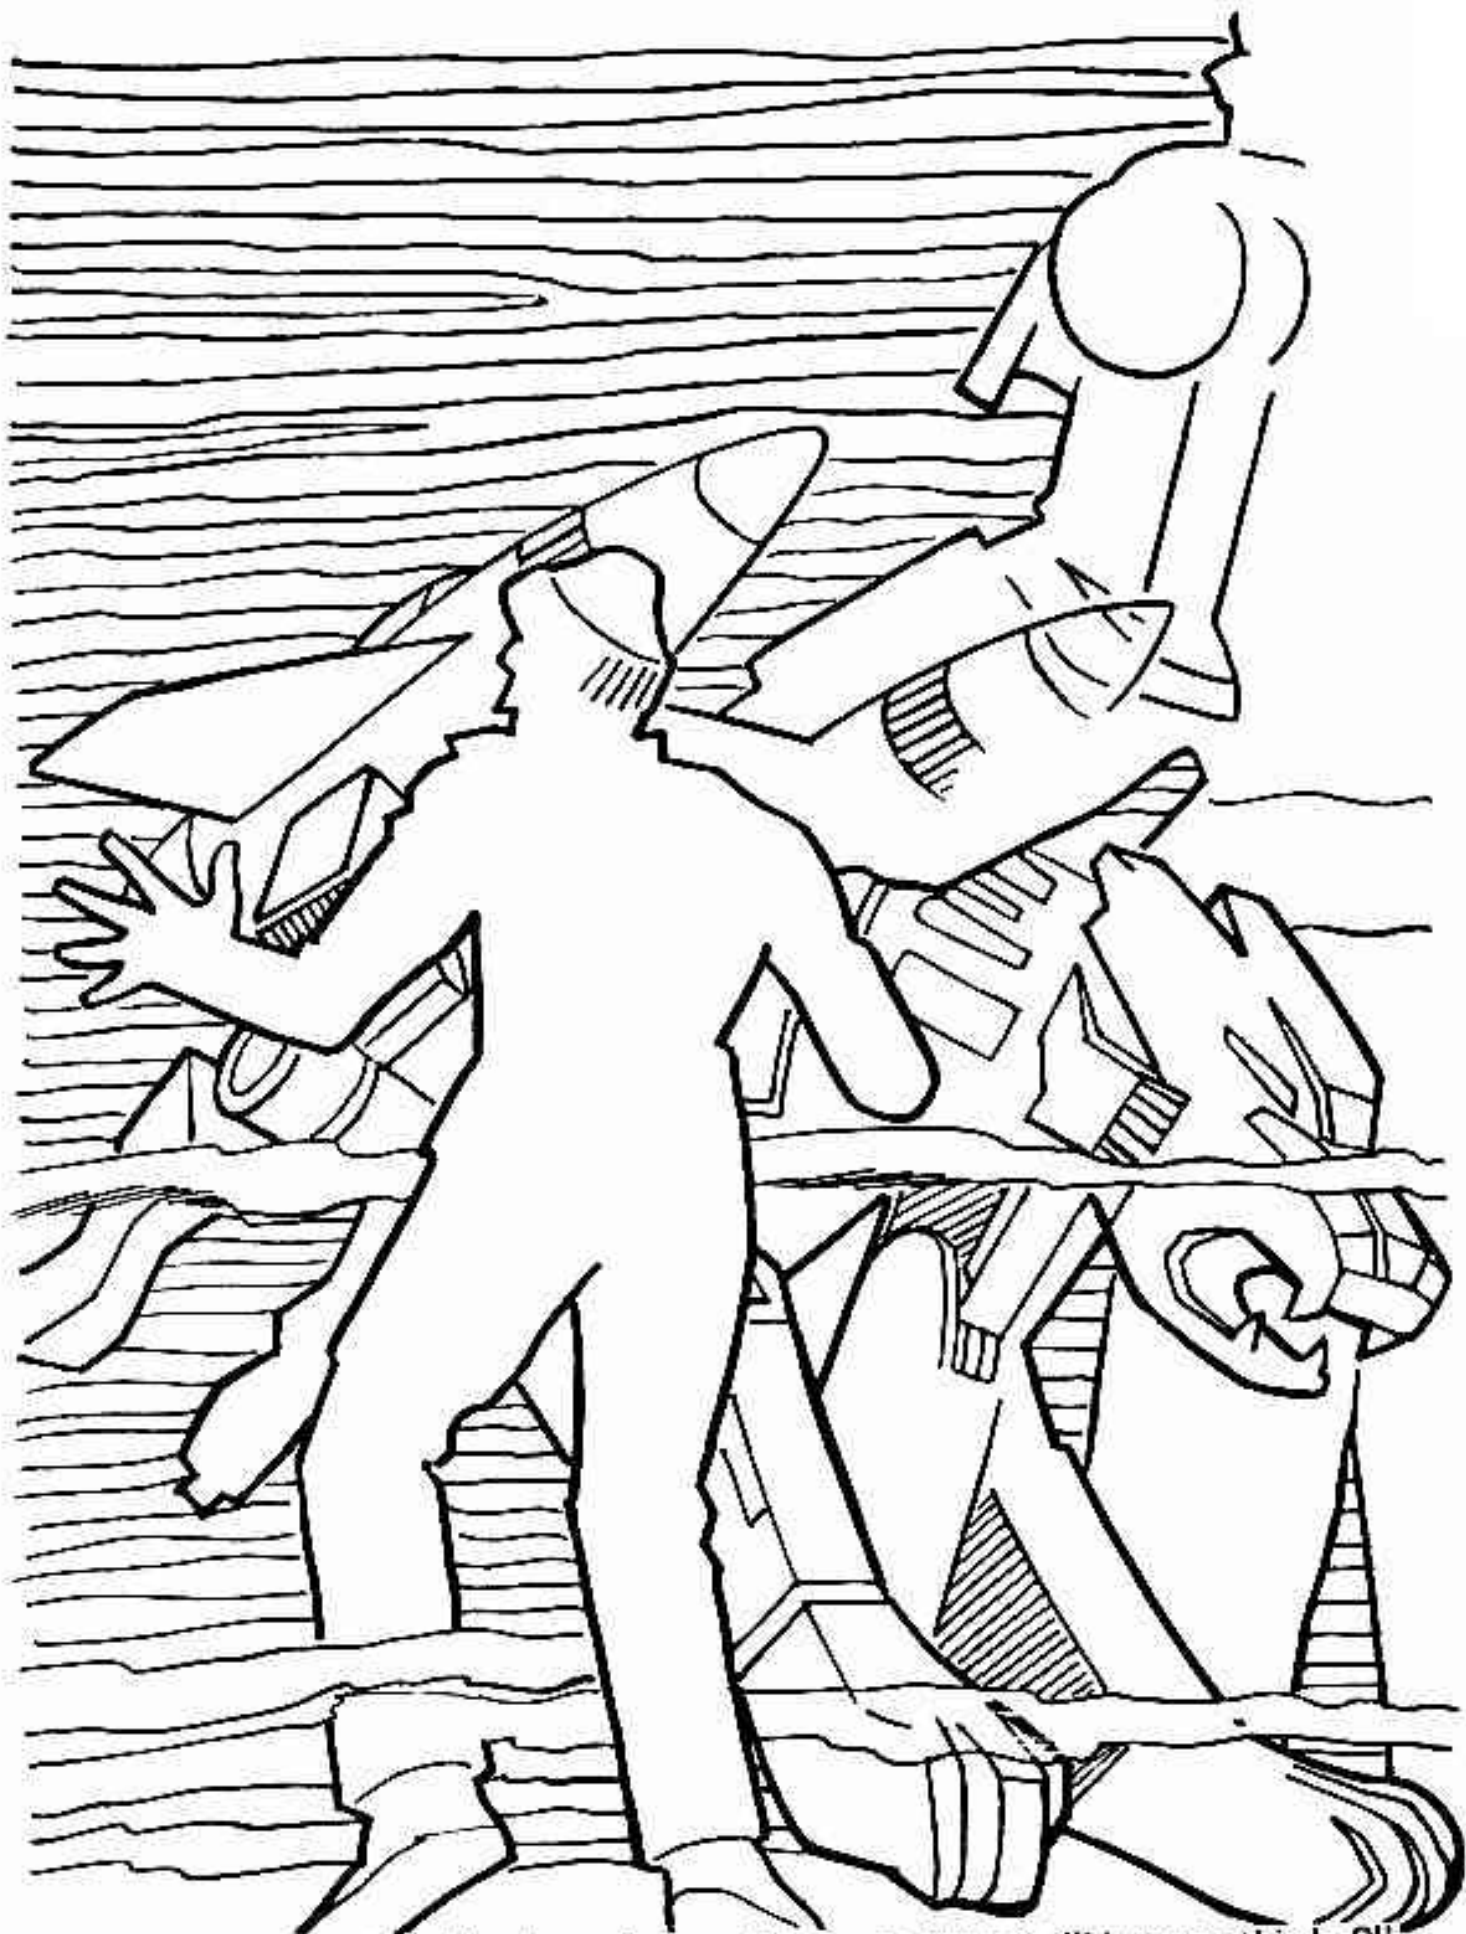

"Wow! What a beautiful sight!" says Spike.
"The Decepticons would wreck it!" says Optimus Prime. "They hate everything good and beautiful!"

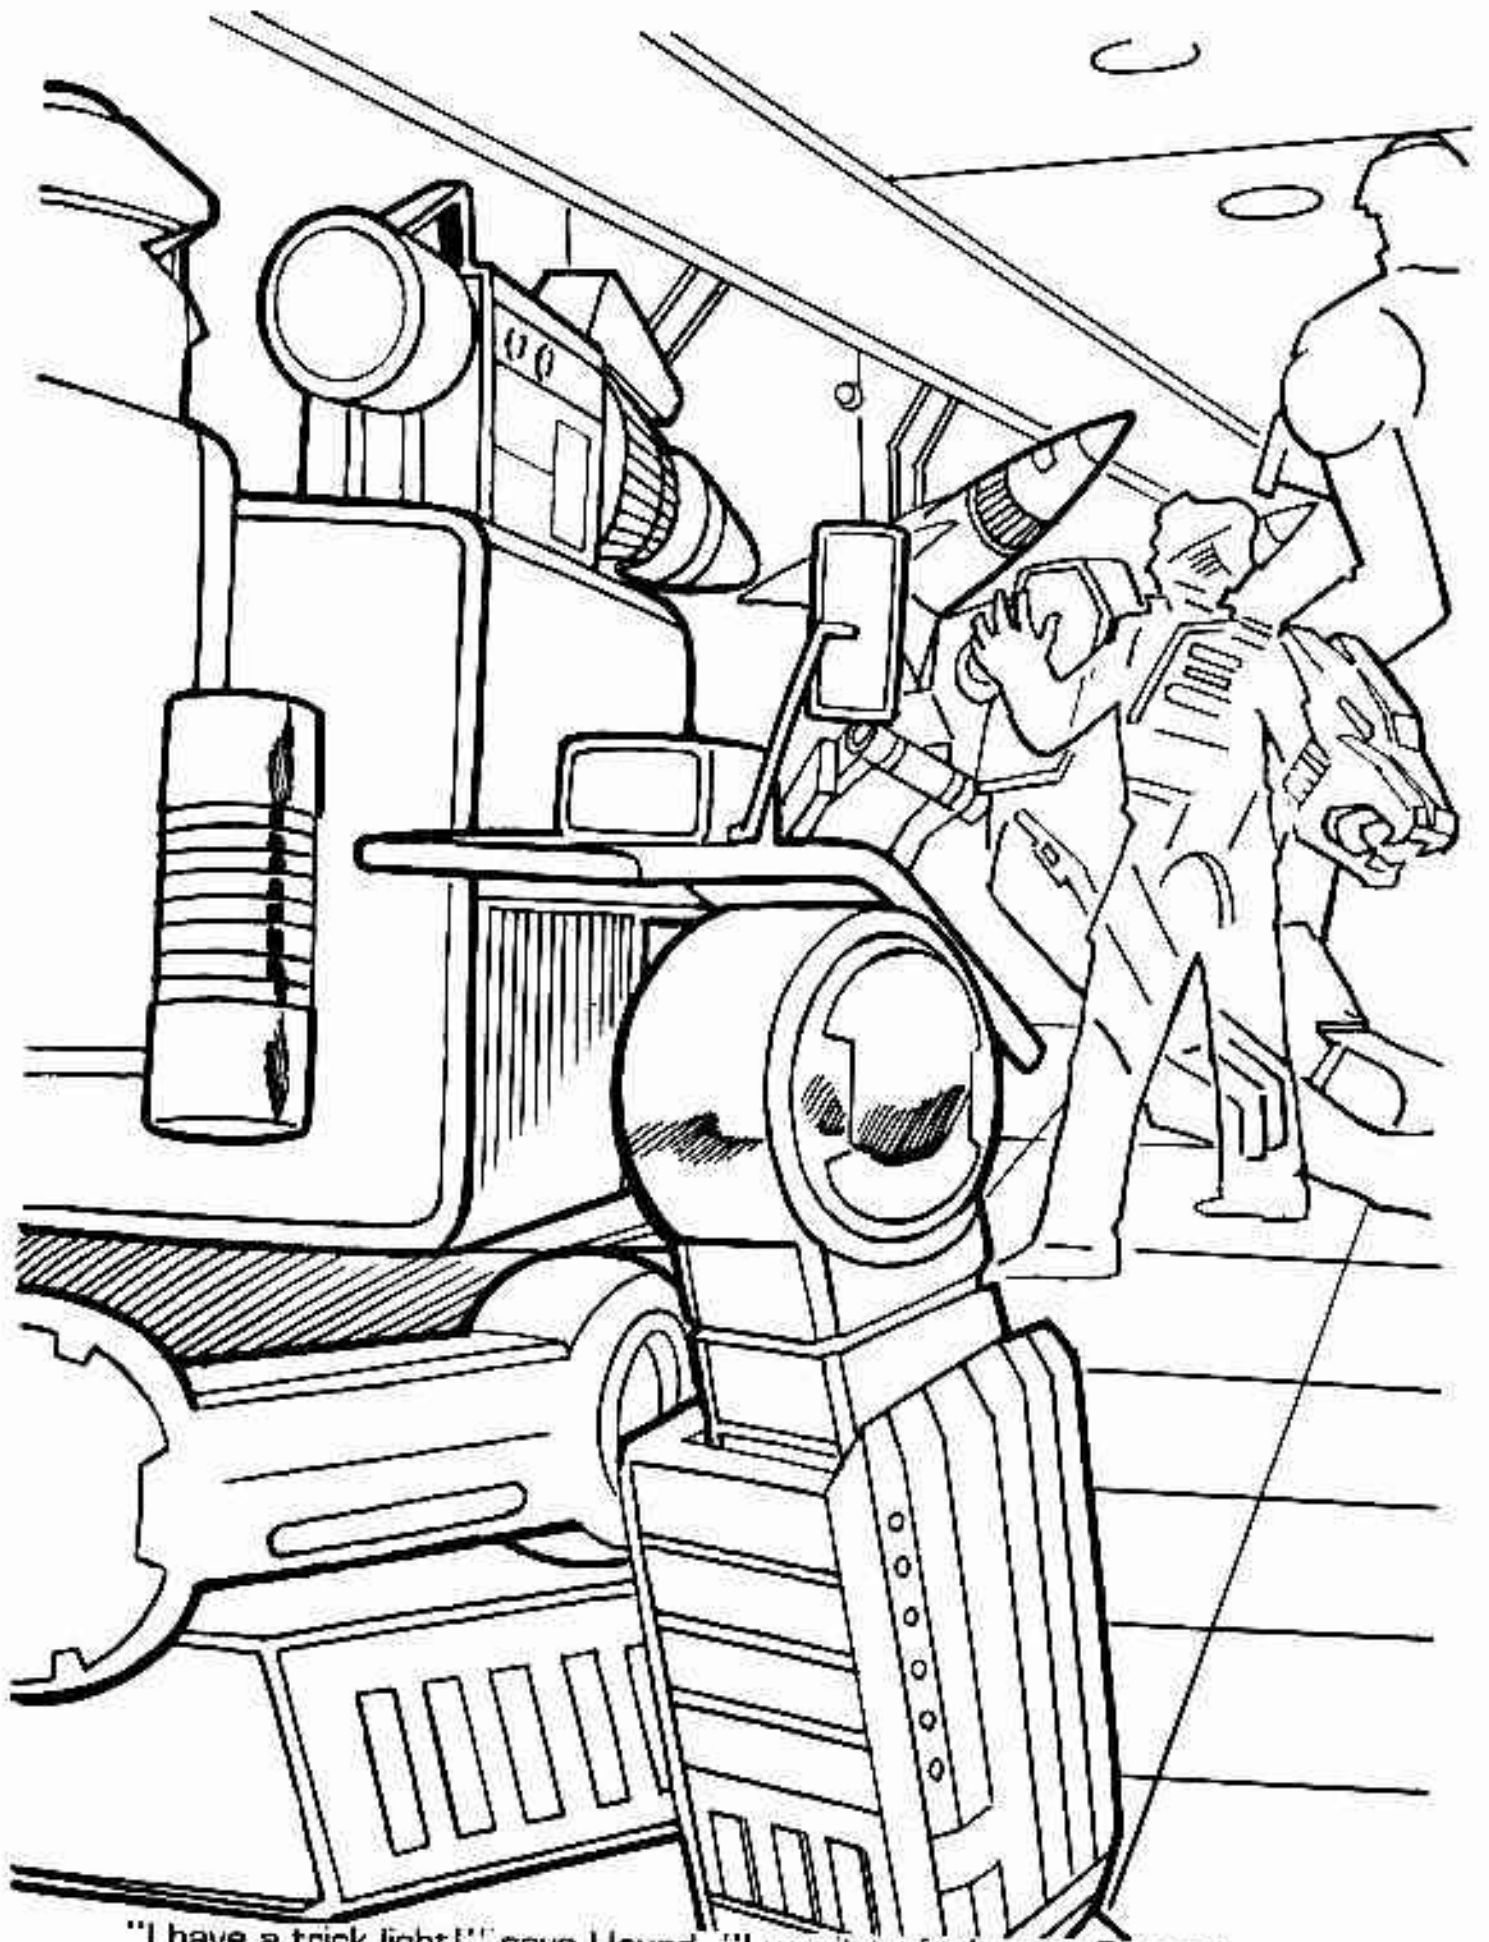

"Gosh, that iceberg is sure getting close, Hound," says Spike.

"Yow! It's the mean Decepticon Ravage!" says Hound. "Get behind me, Spike!" "Growl! I'll tear you to pieces, Hound!" growls Ravage.

"Grrr! I'm leaping right through them!" growls Ravage. "How can this be?"

"I have a trick light!" says Hound. "I use it to fool mean Decepticons like you!"

HOUND'S SCRAMBLED WORD MESSAGE

Wubba wubba wubba wubba

A

OOLGAMRH

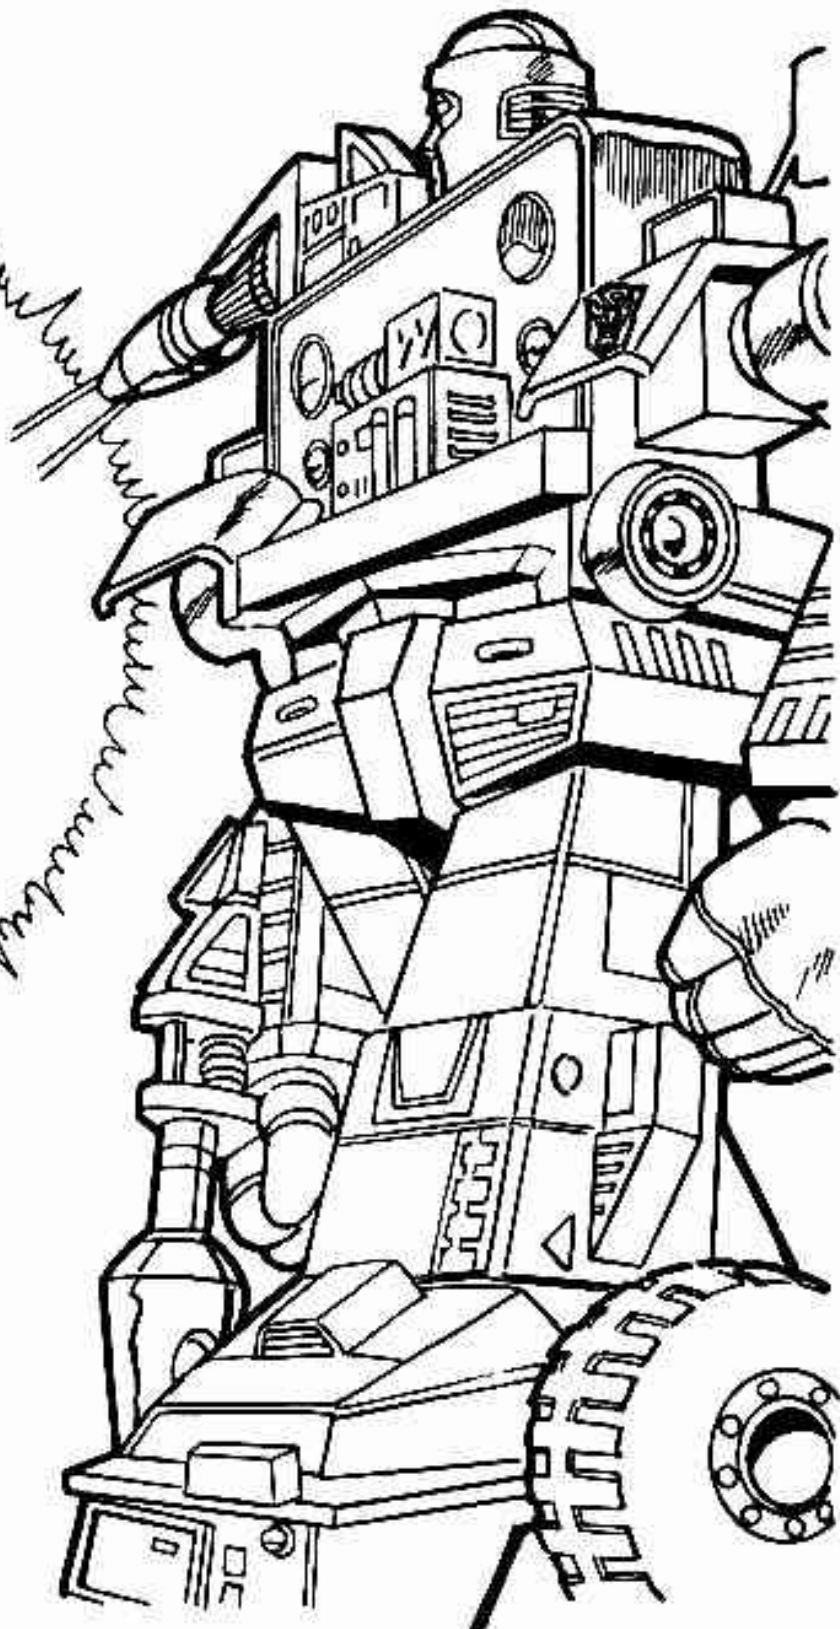

HOLOGRAM

HIGTL SI

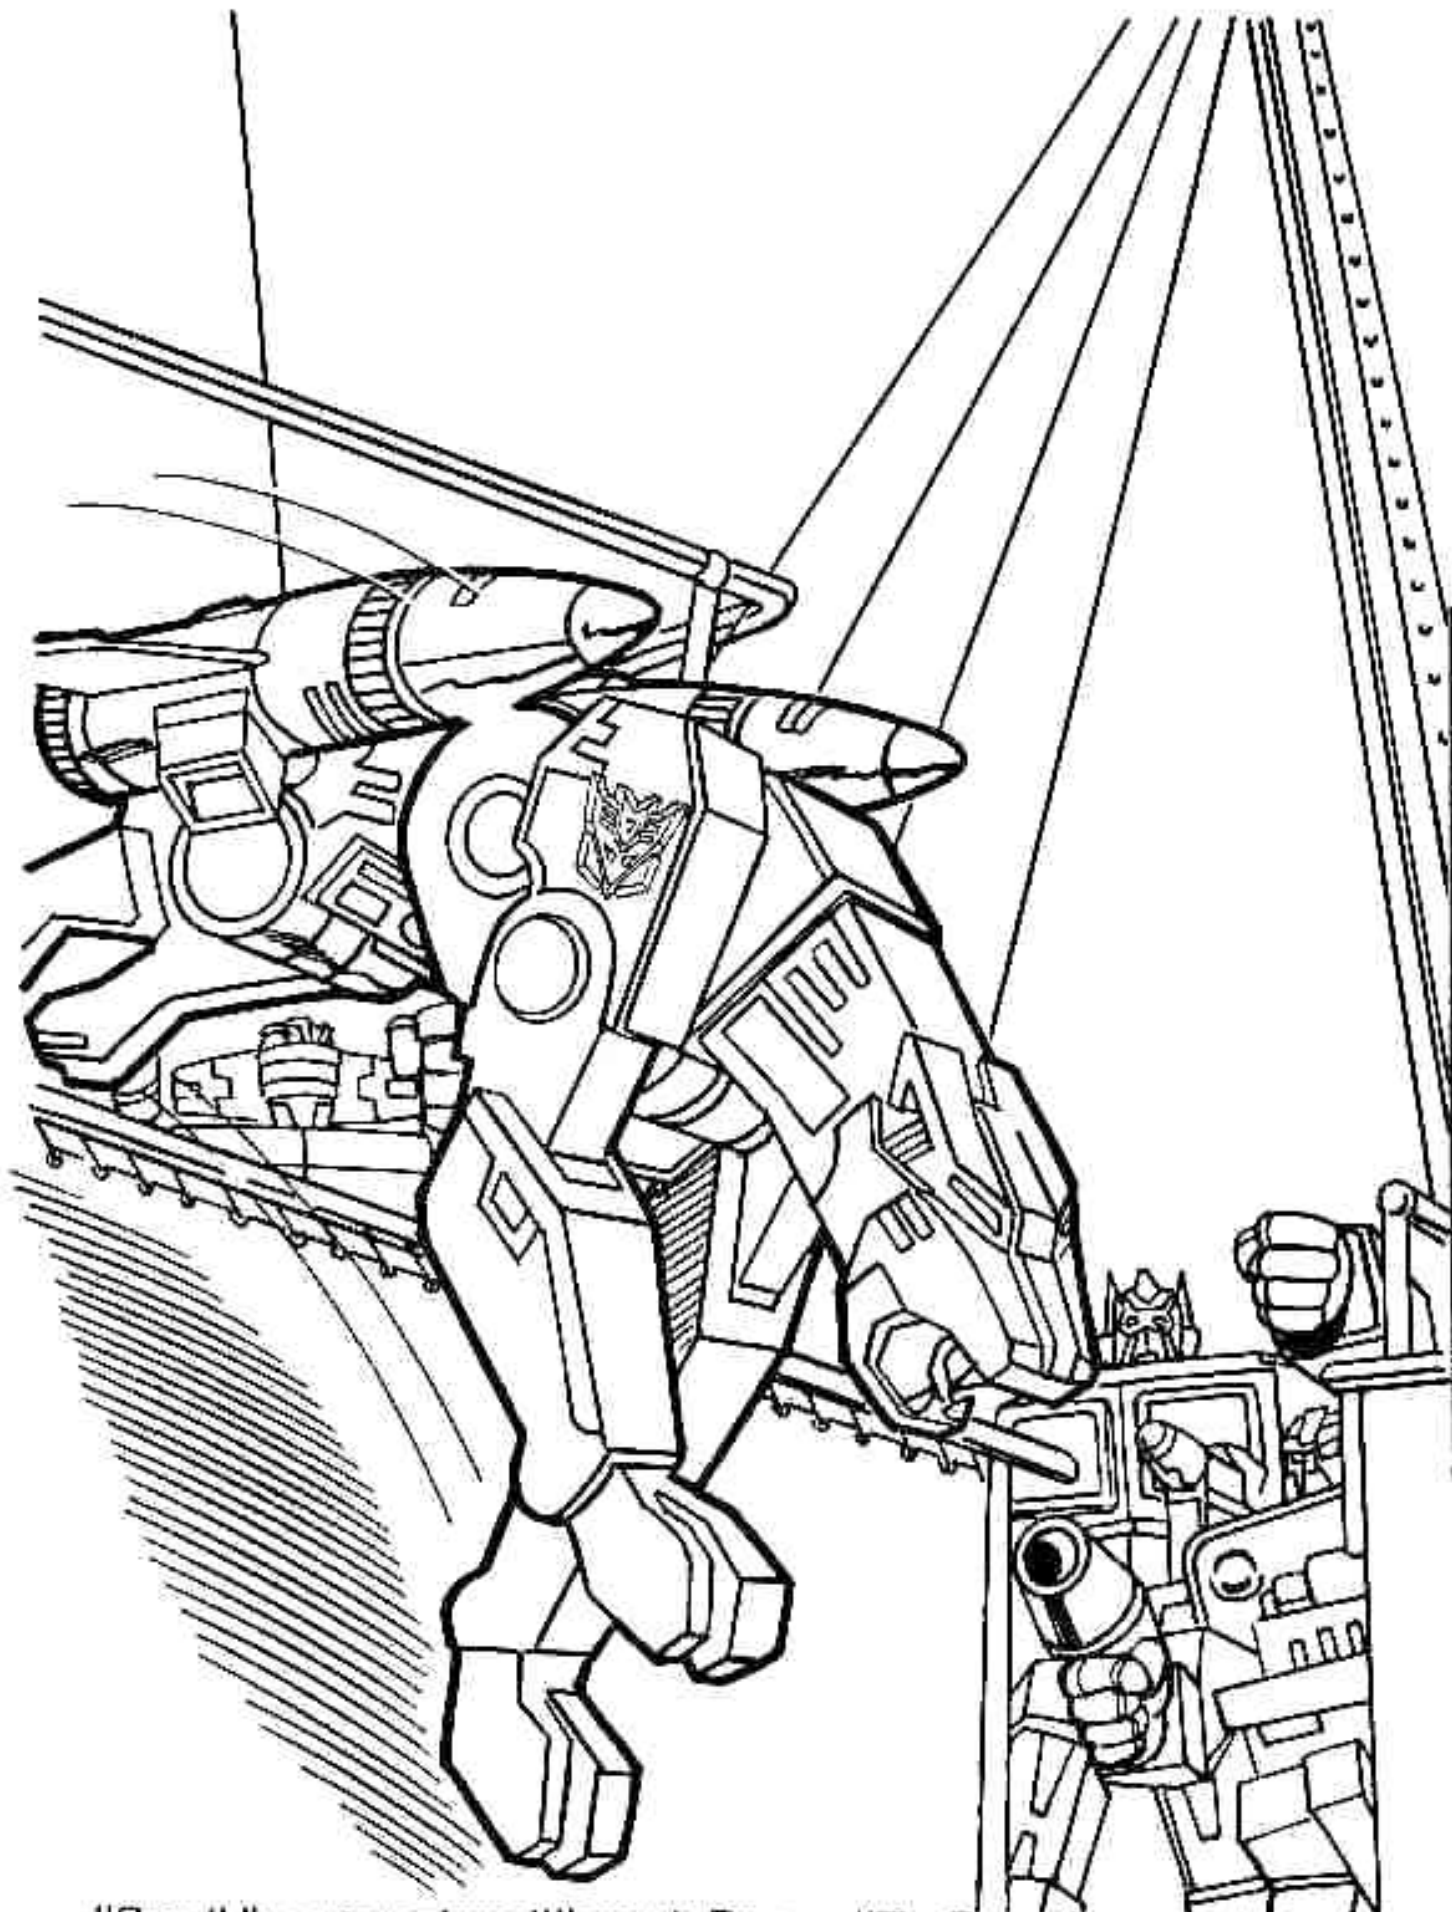

ATWH I SEU.

Wubba wubba wubba wubba

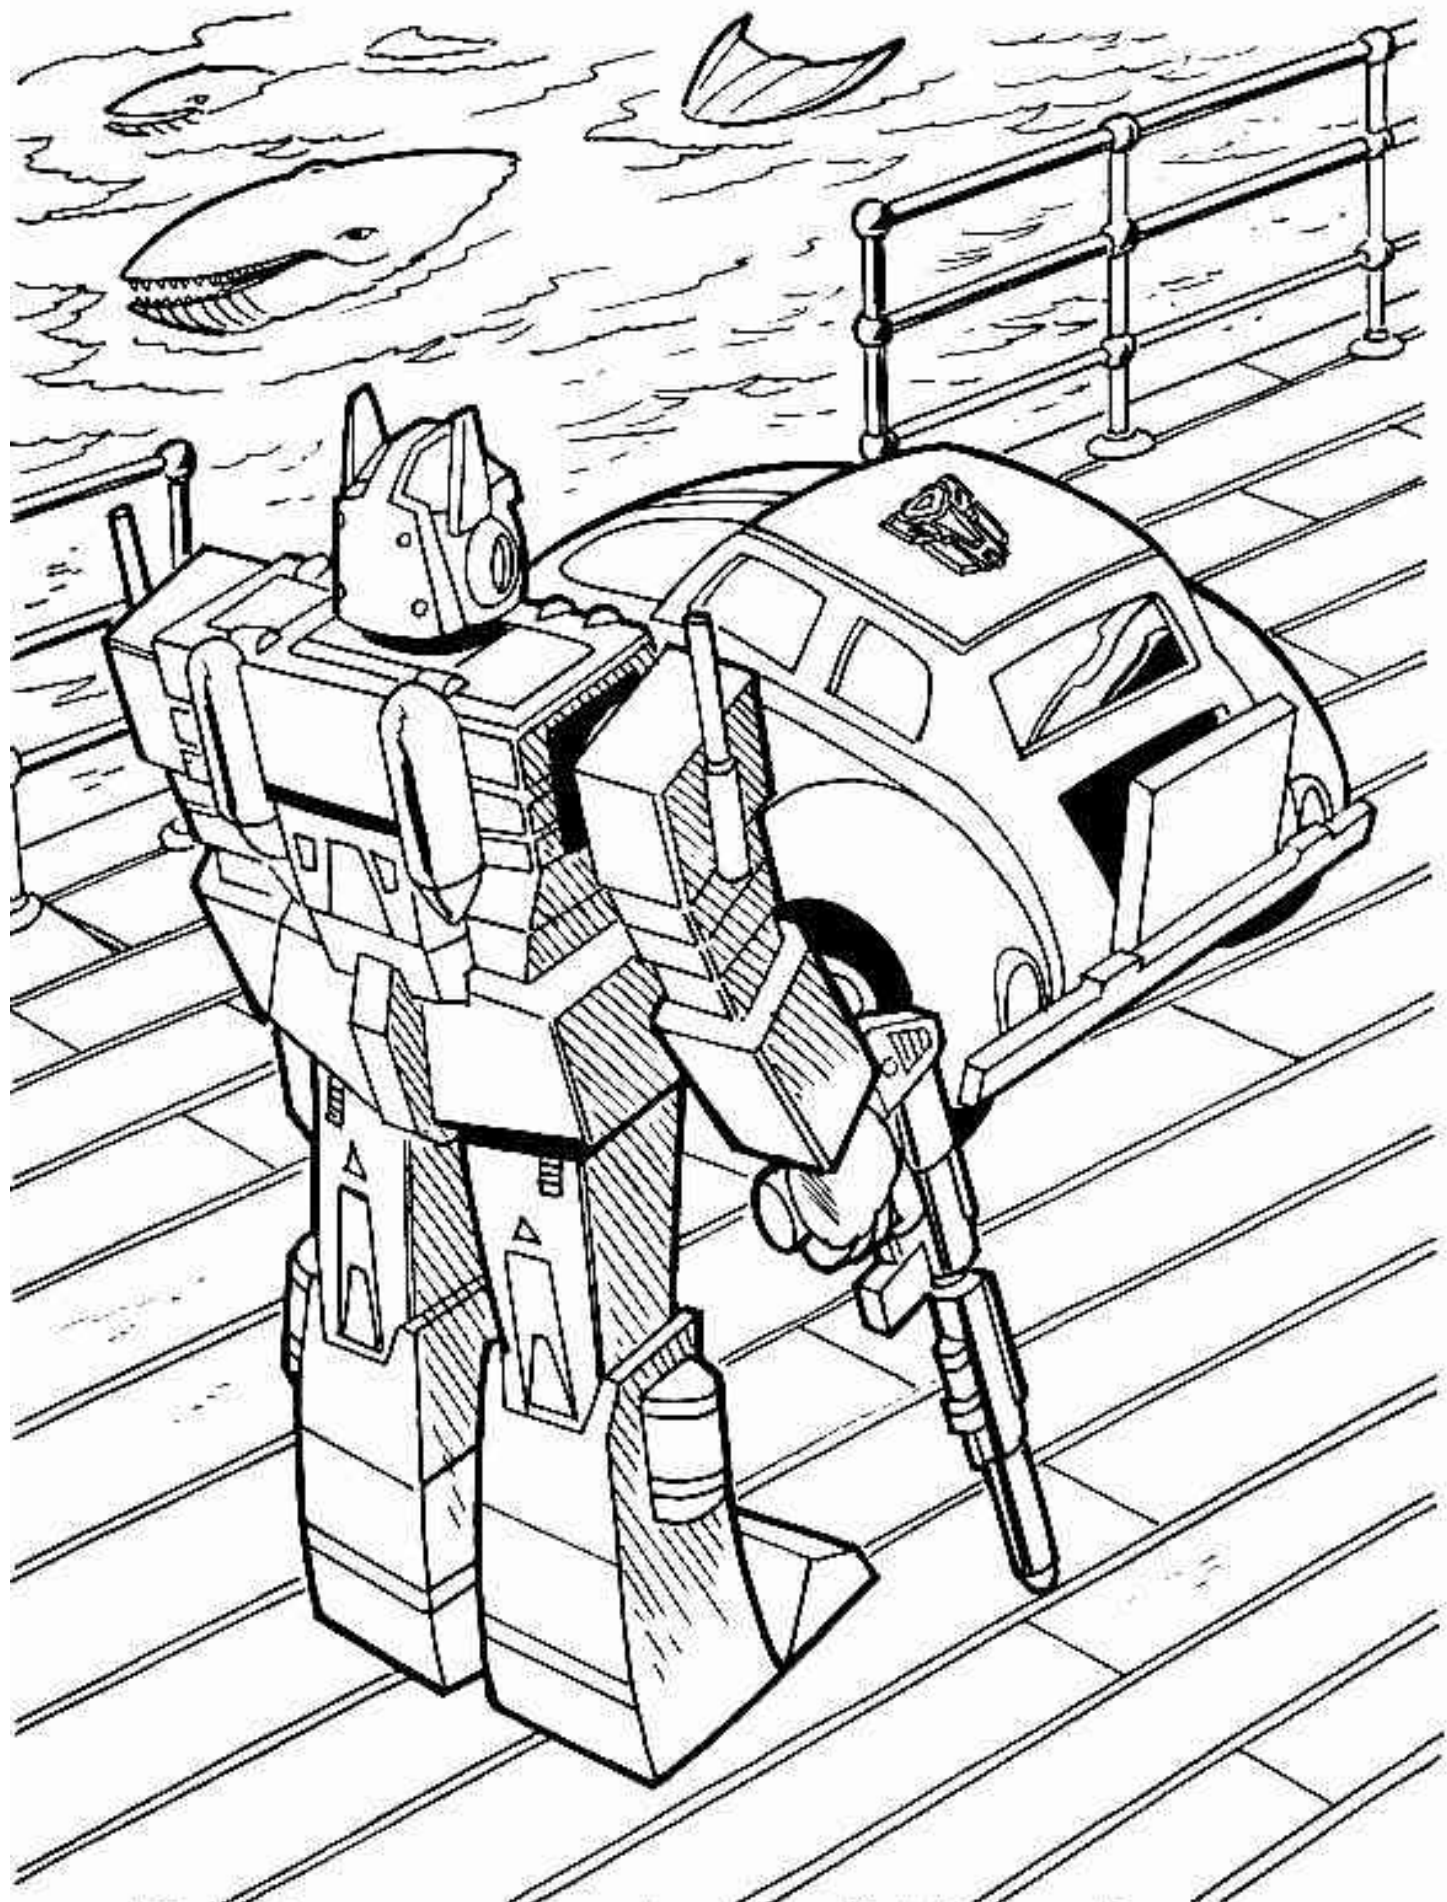

A HOLOGRAM LIGHT
IS WHAT I USE.

Hound wants you to know the name of his special trick light. But he doesn't want the evil Decepticons to know the name, so he wrote the message in code. Unscramble the words; we unscrambled the first word to show you how.

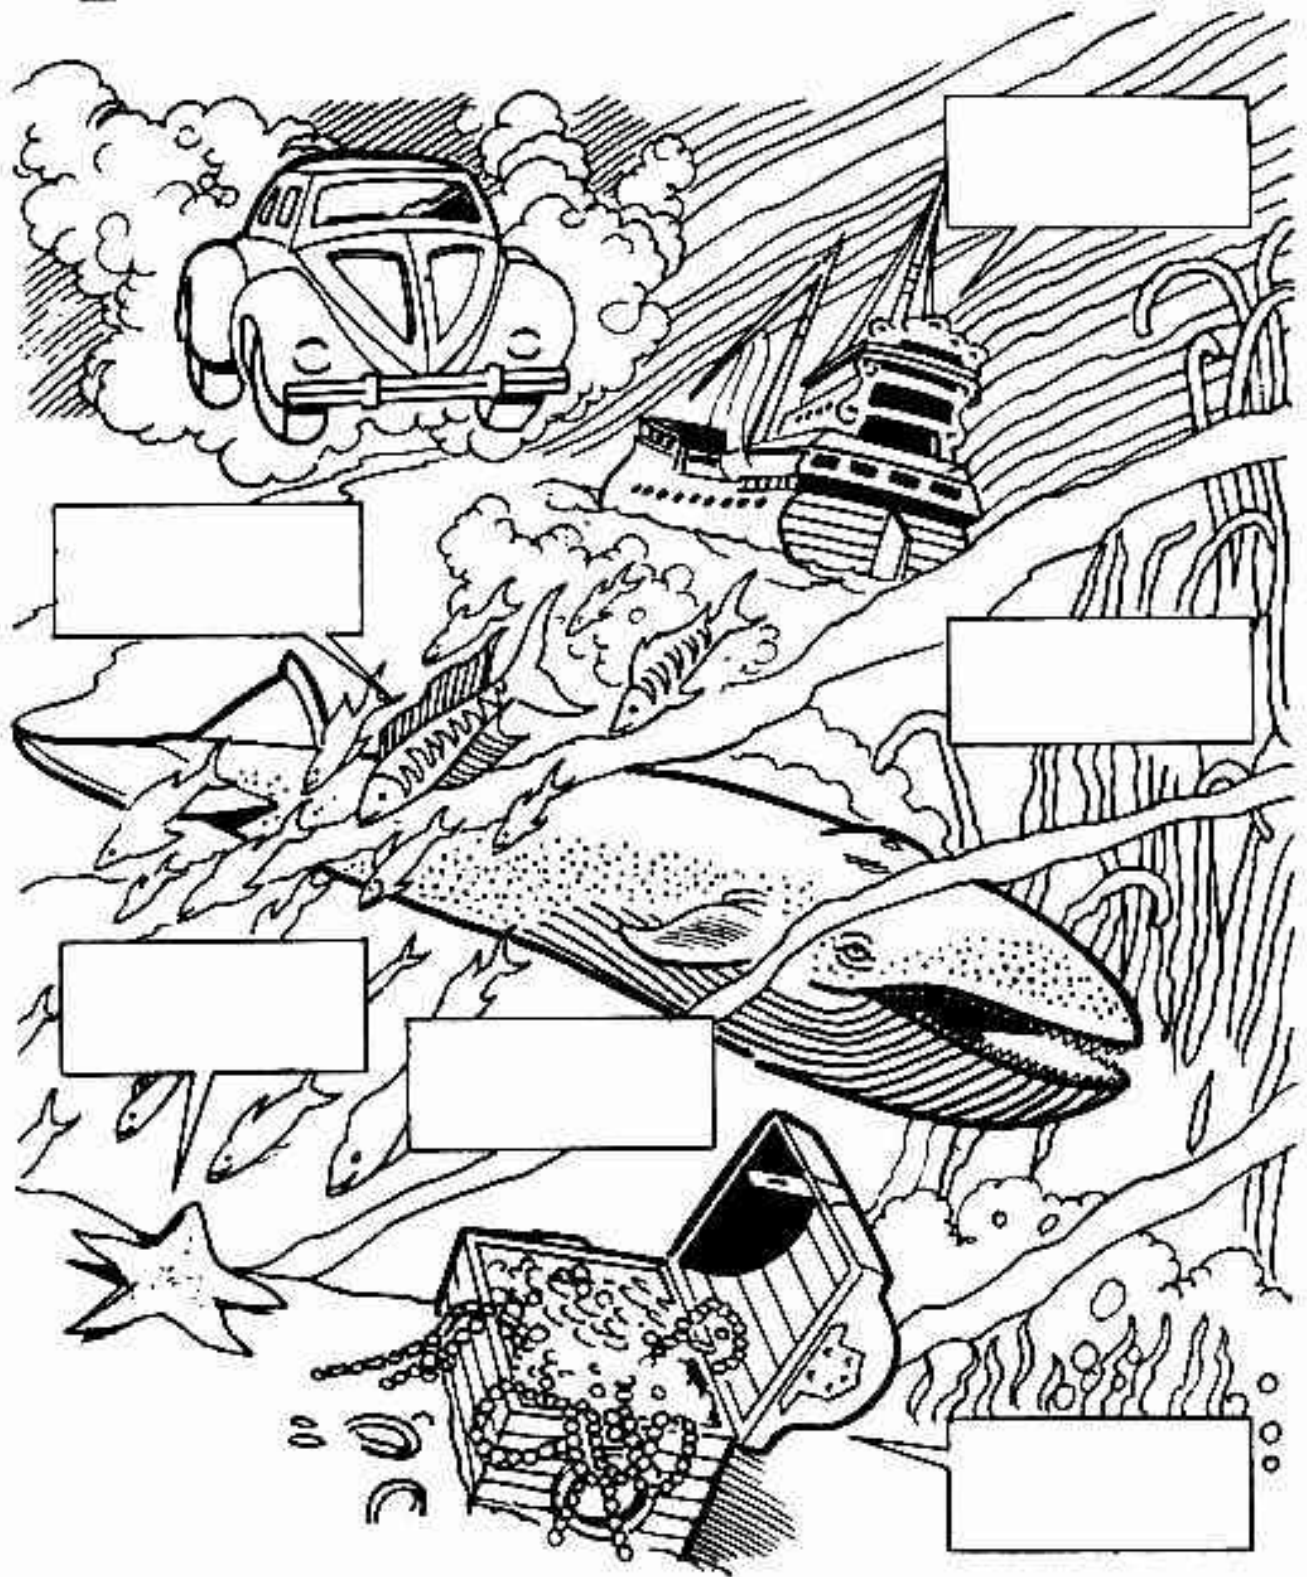

"Growl! I'm out-numbered!" growls Ravage. "The Decepticon cat who leaps away will return to beat the Autobots on another day!"

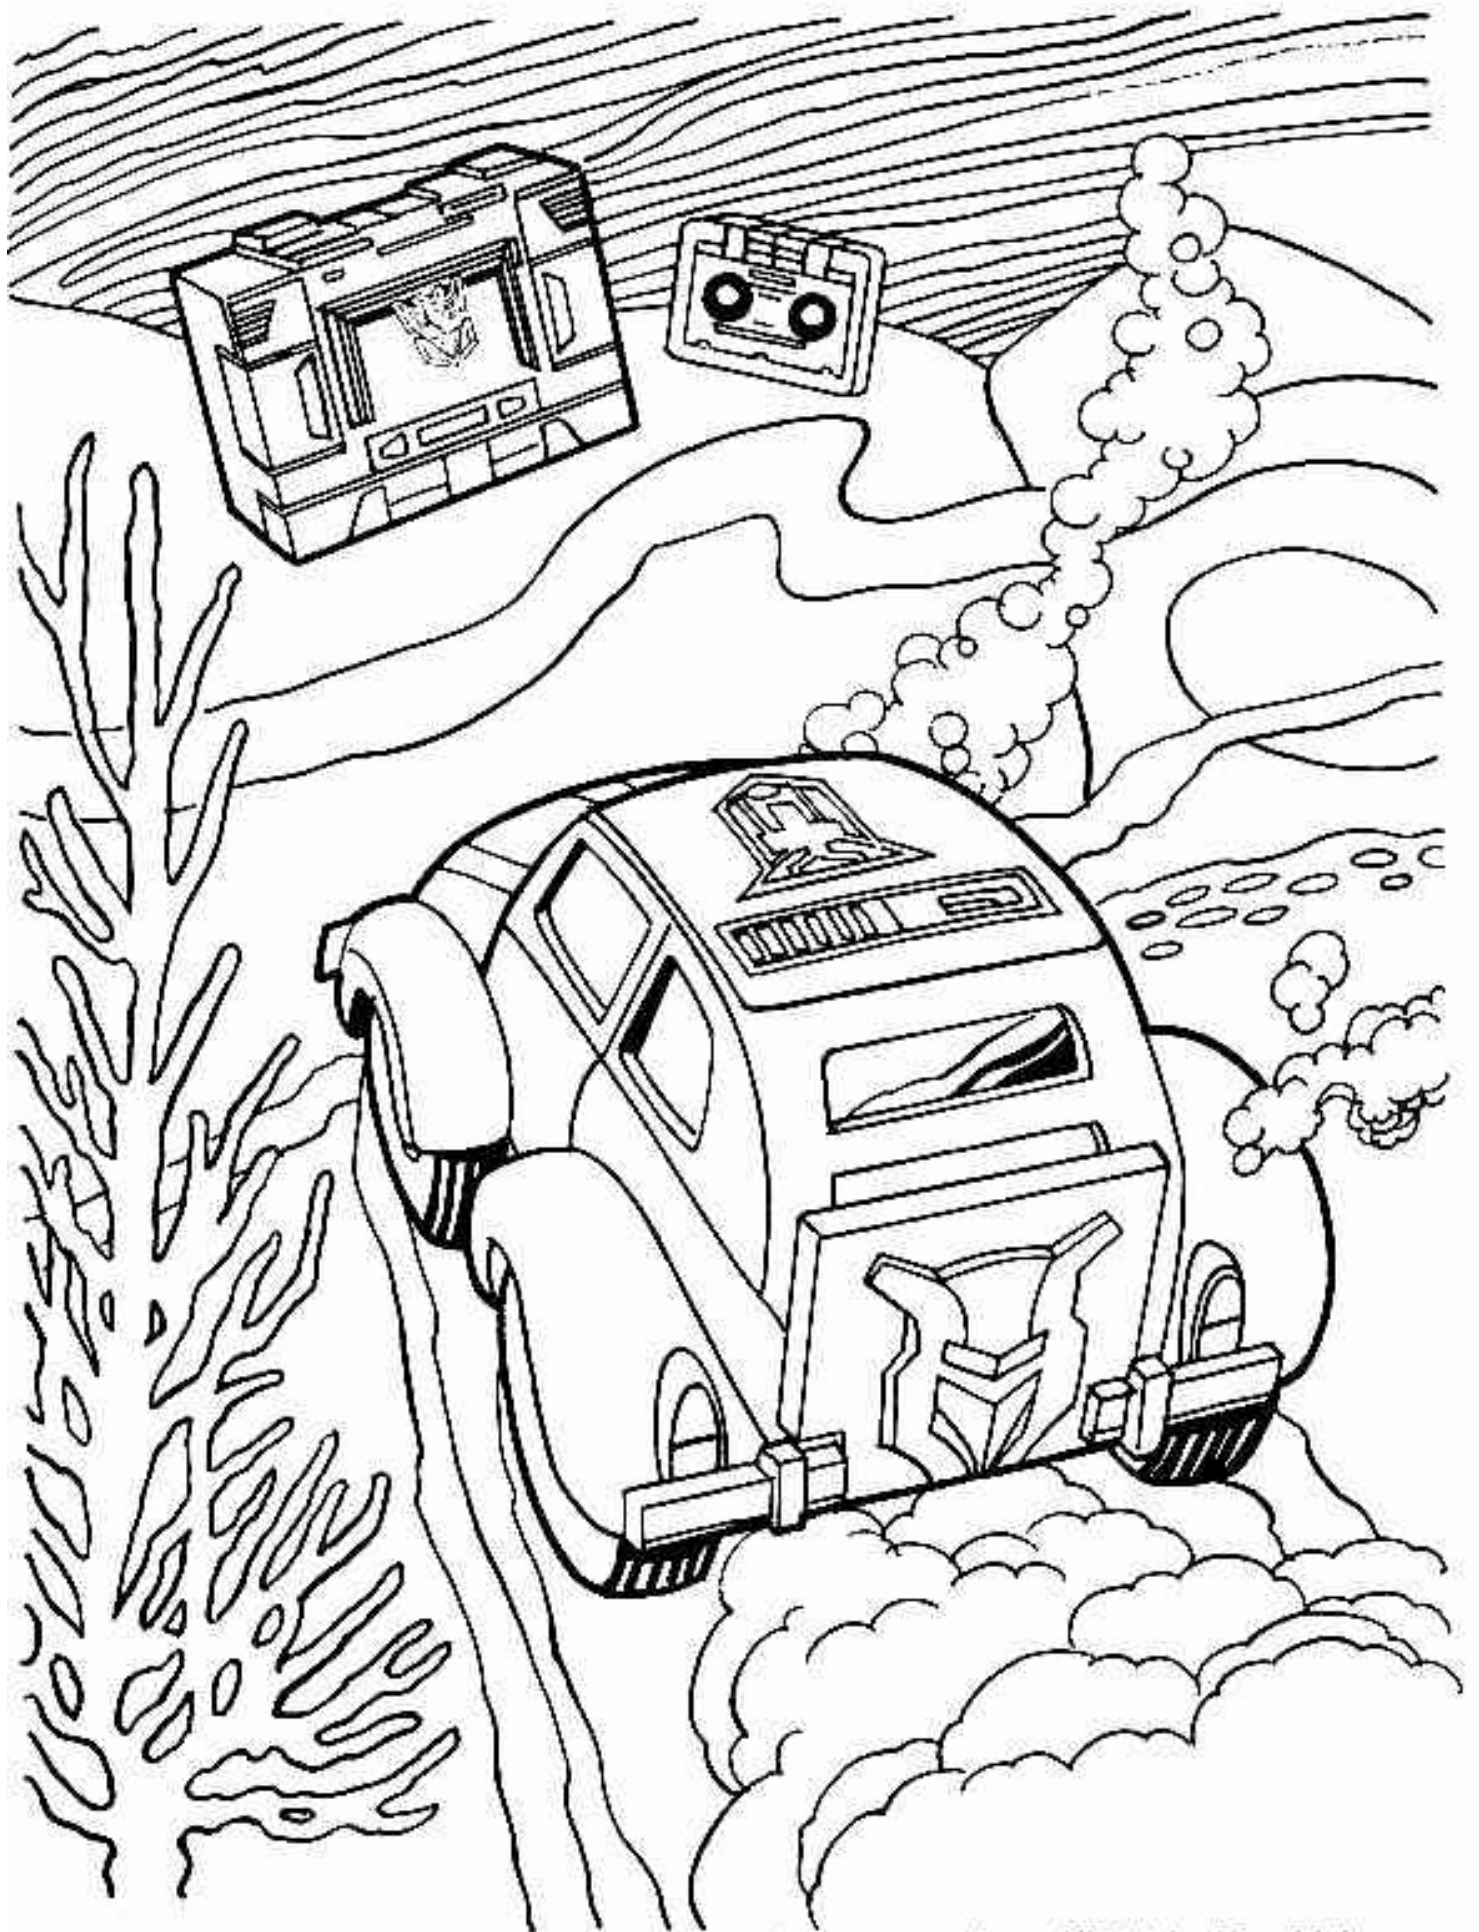

"Bumblebee, you must go underwater to find the Decepticons!" says Optimus Prime.

BUMBLEBEE'S UNDERSEA SEARCH

TREASURE CHEST SEAWEED SHIP FISH WHALE STARFISH

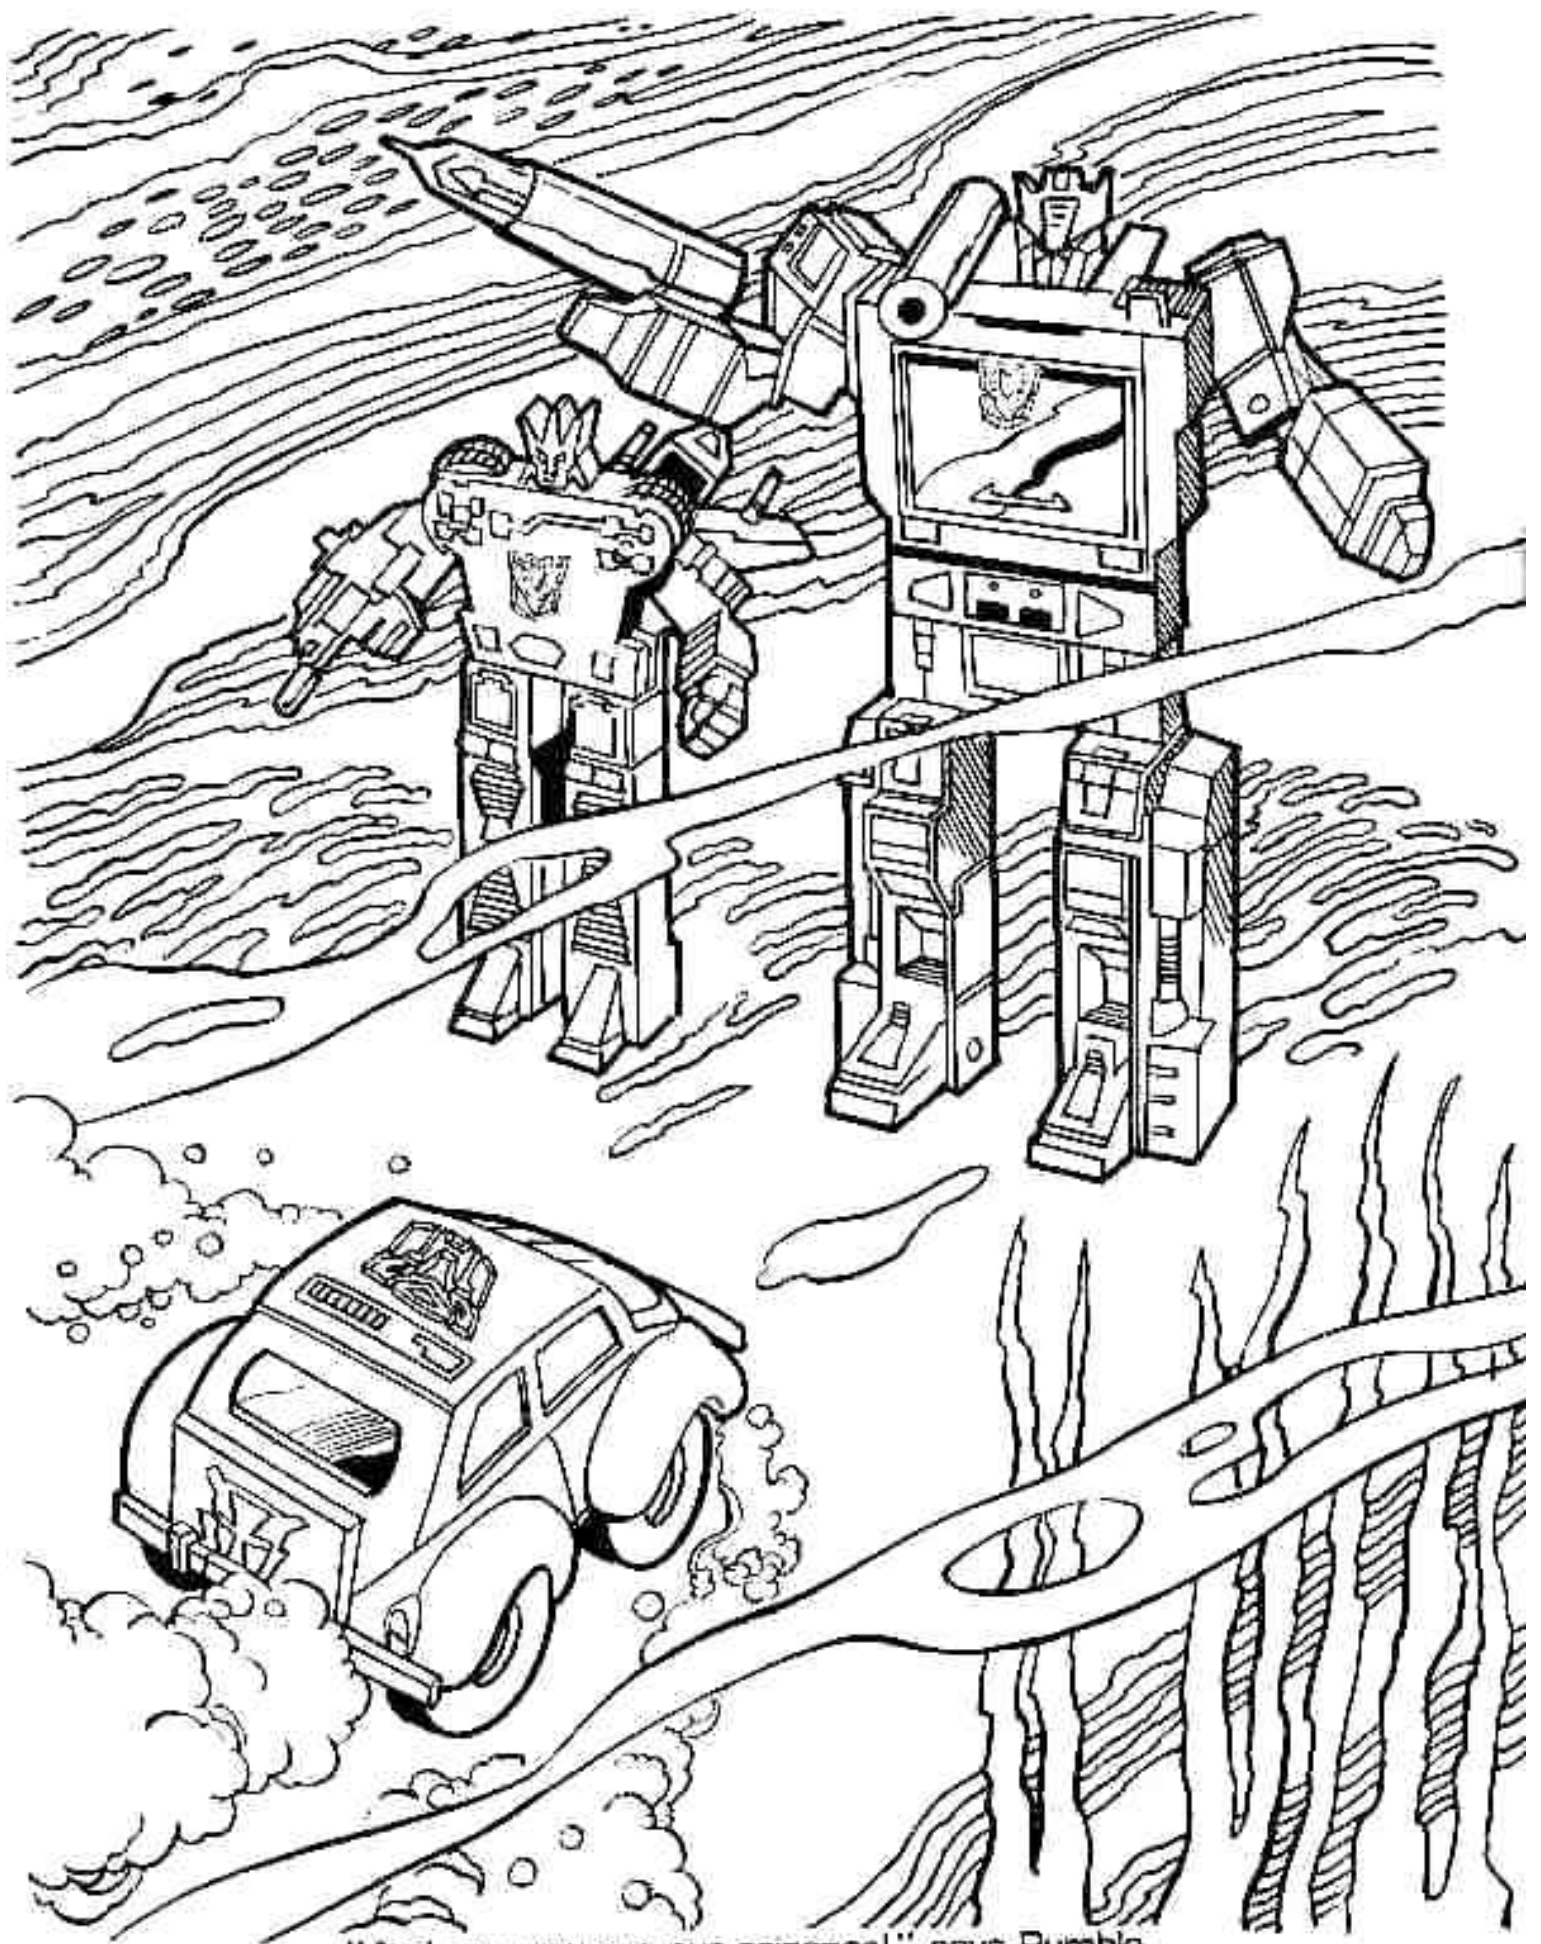

Bumblebee is finding all kinds of things under the water. Write the name of each thing he sees on the line beside it. We put all the right names at the bottom of the page to help you. Have fun!

"I bet Buster would like that cassette and cassette player!" thinks Bumblebee.
"I'll get it for him."

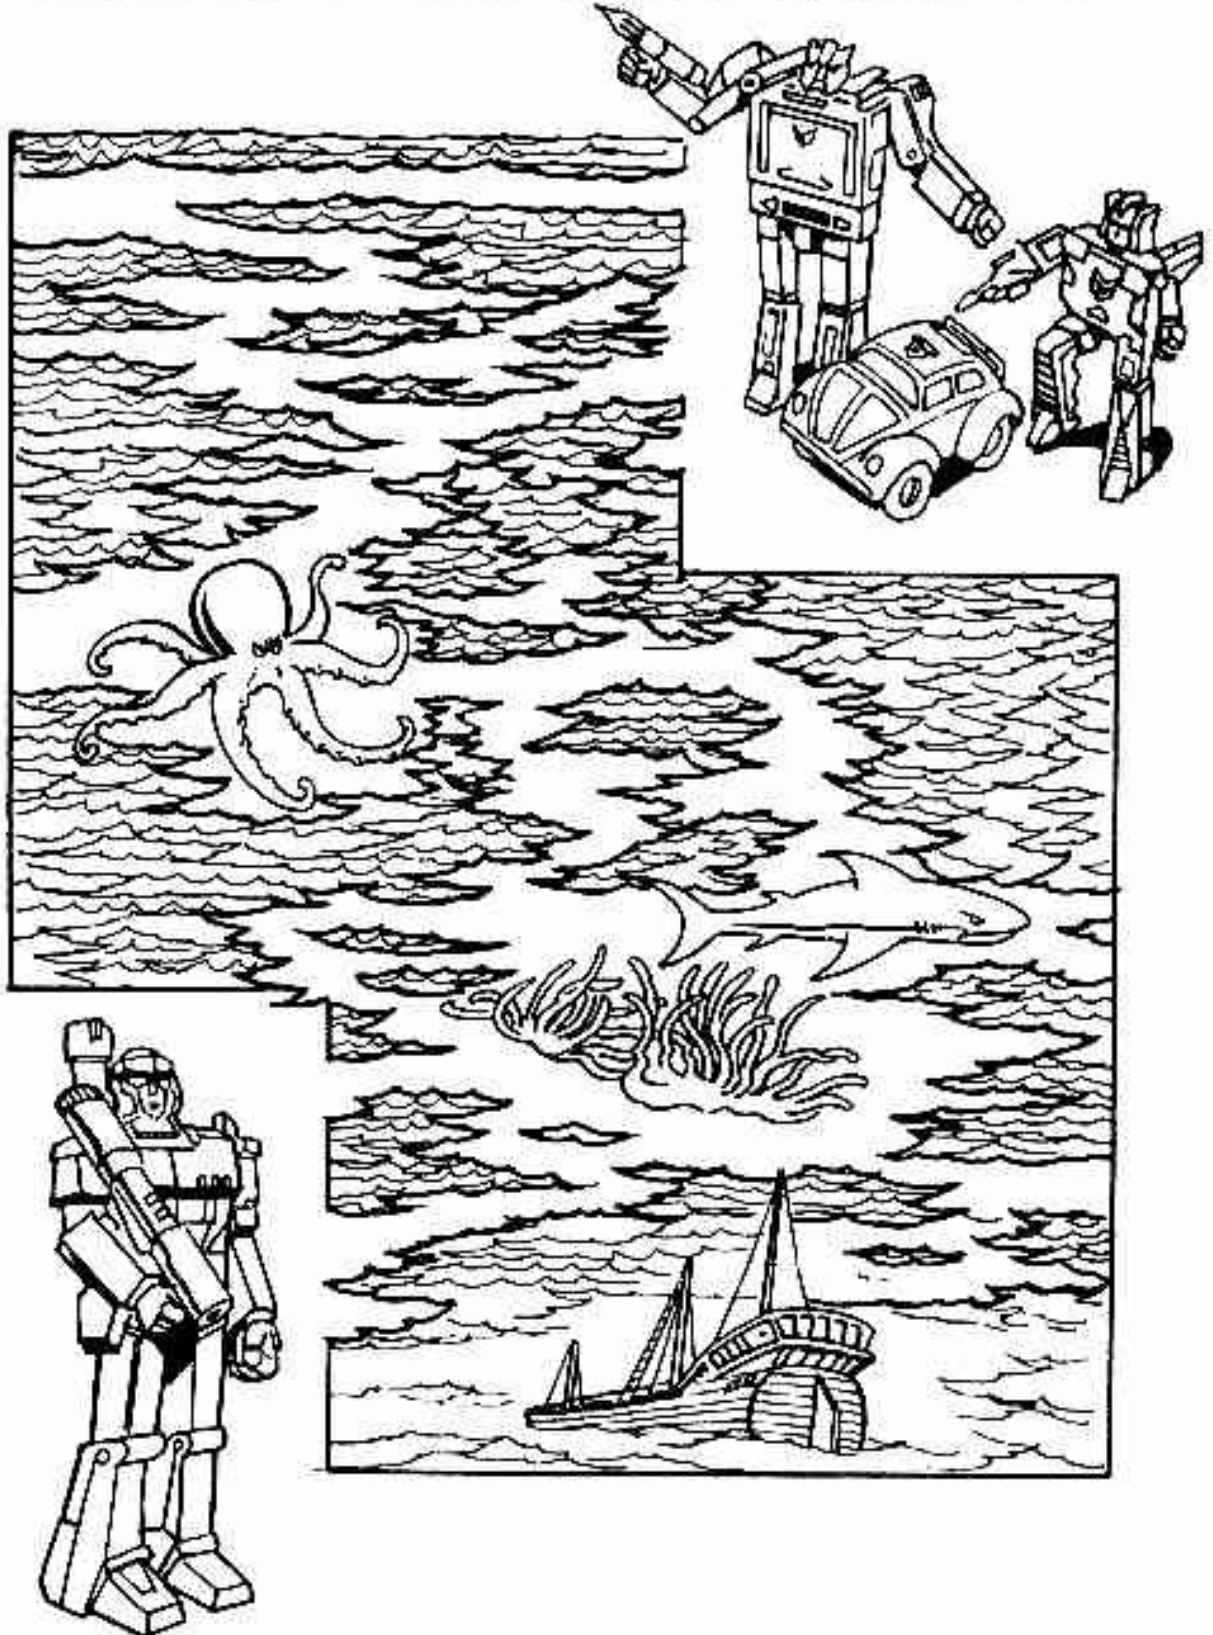

"Hah! We tricked you, Bumblebee! We're really the Decepticons Soundwave and Fumble!" shouts Soundwave.

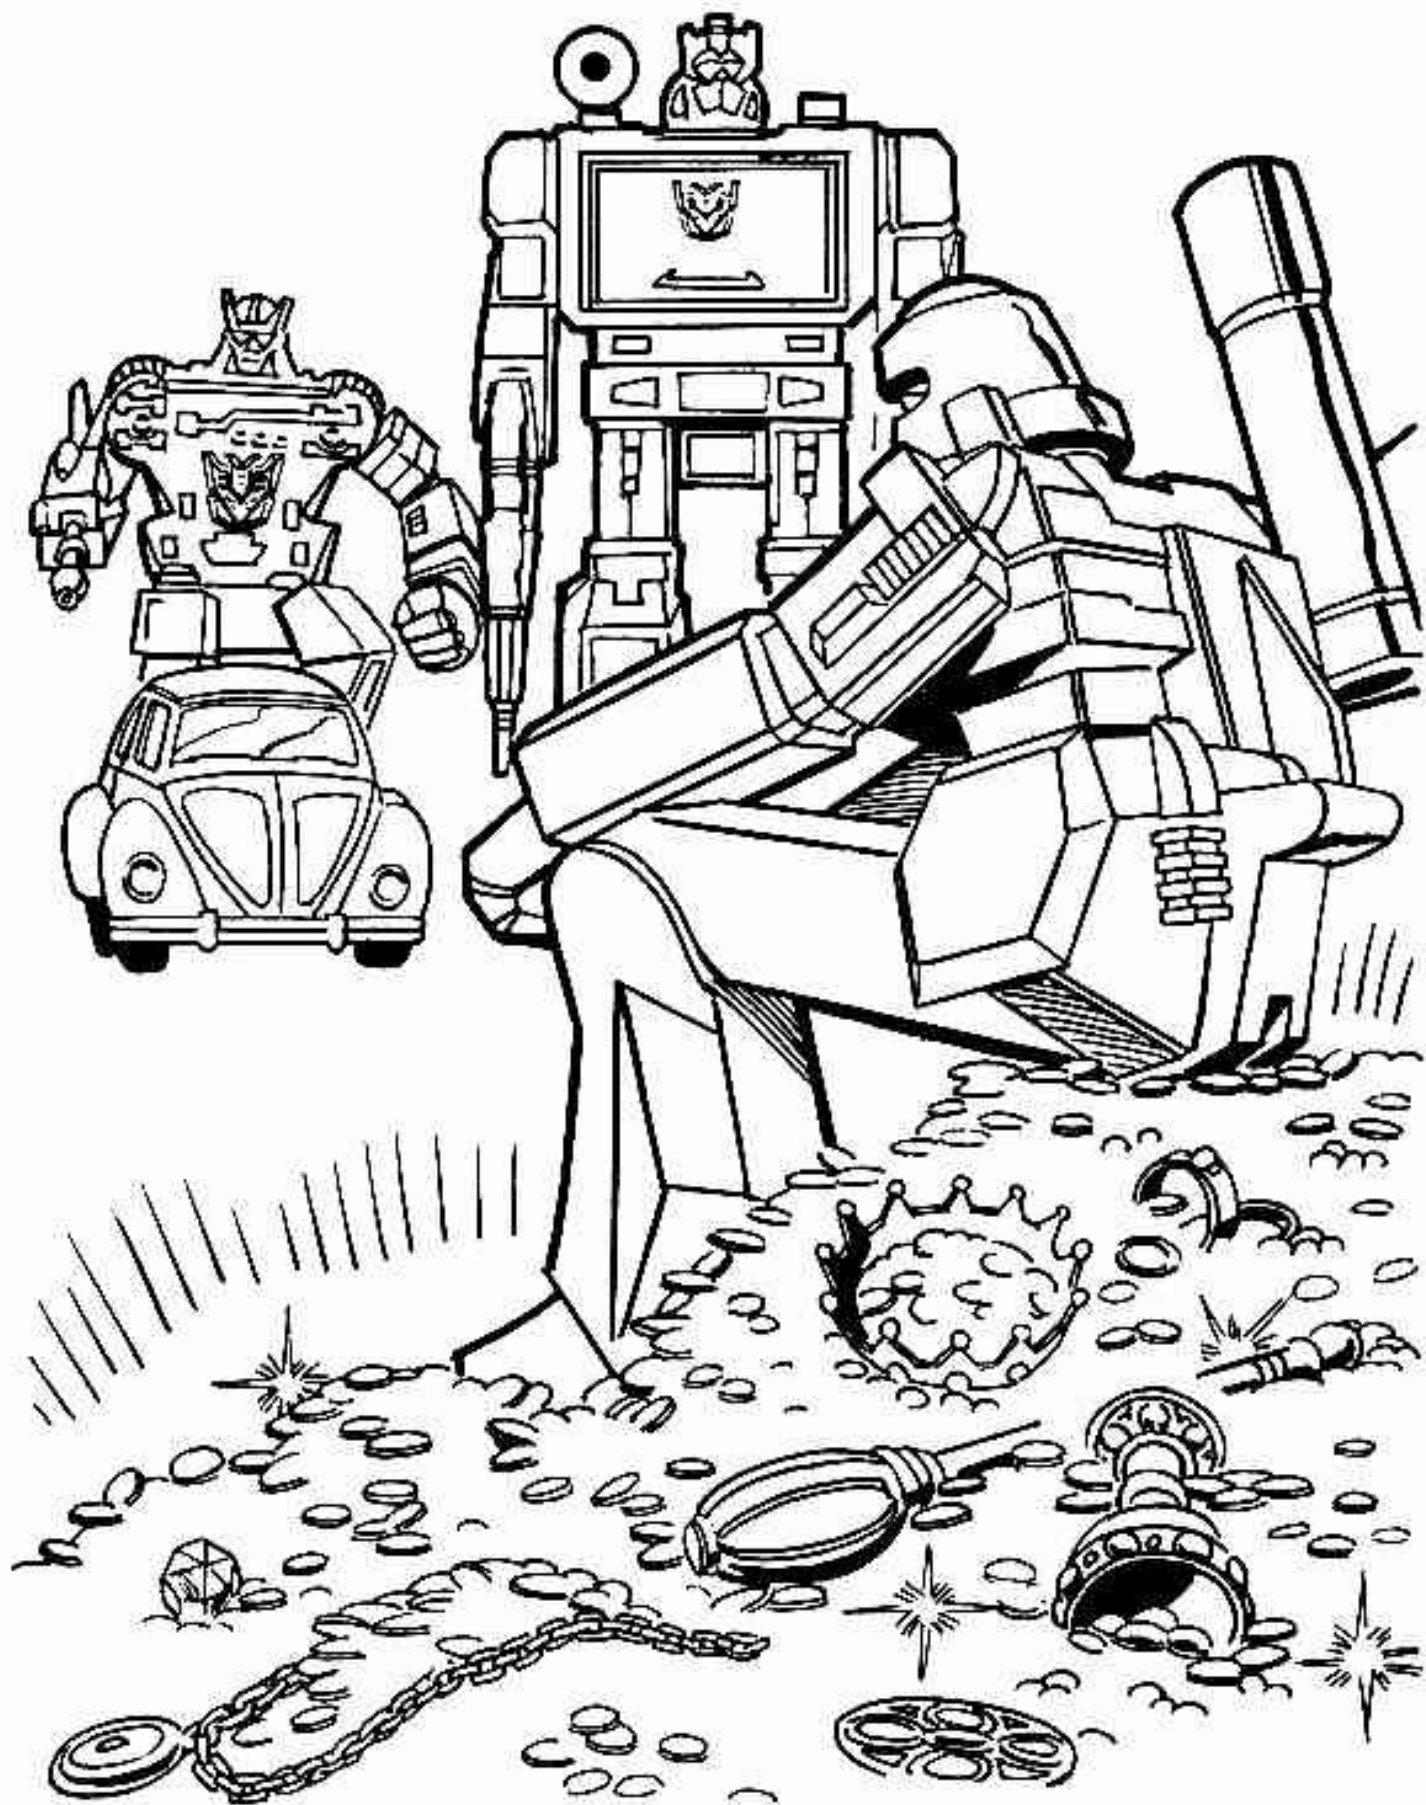

"And now you are our prisoner!" says Rumble.
"Oh no!" says Bumblebee.

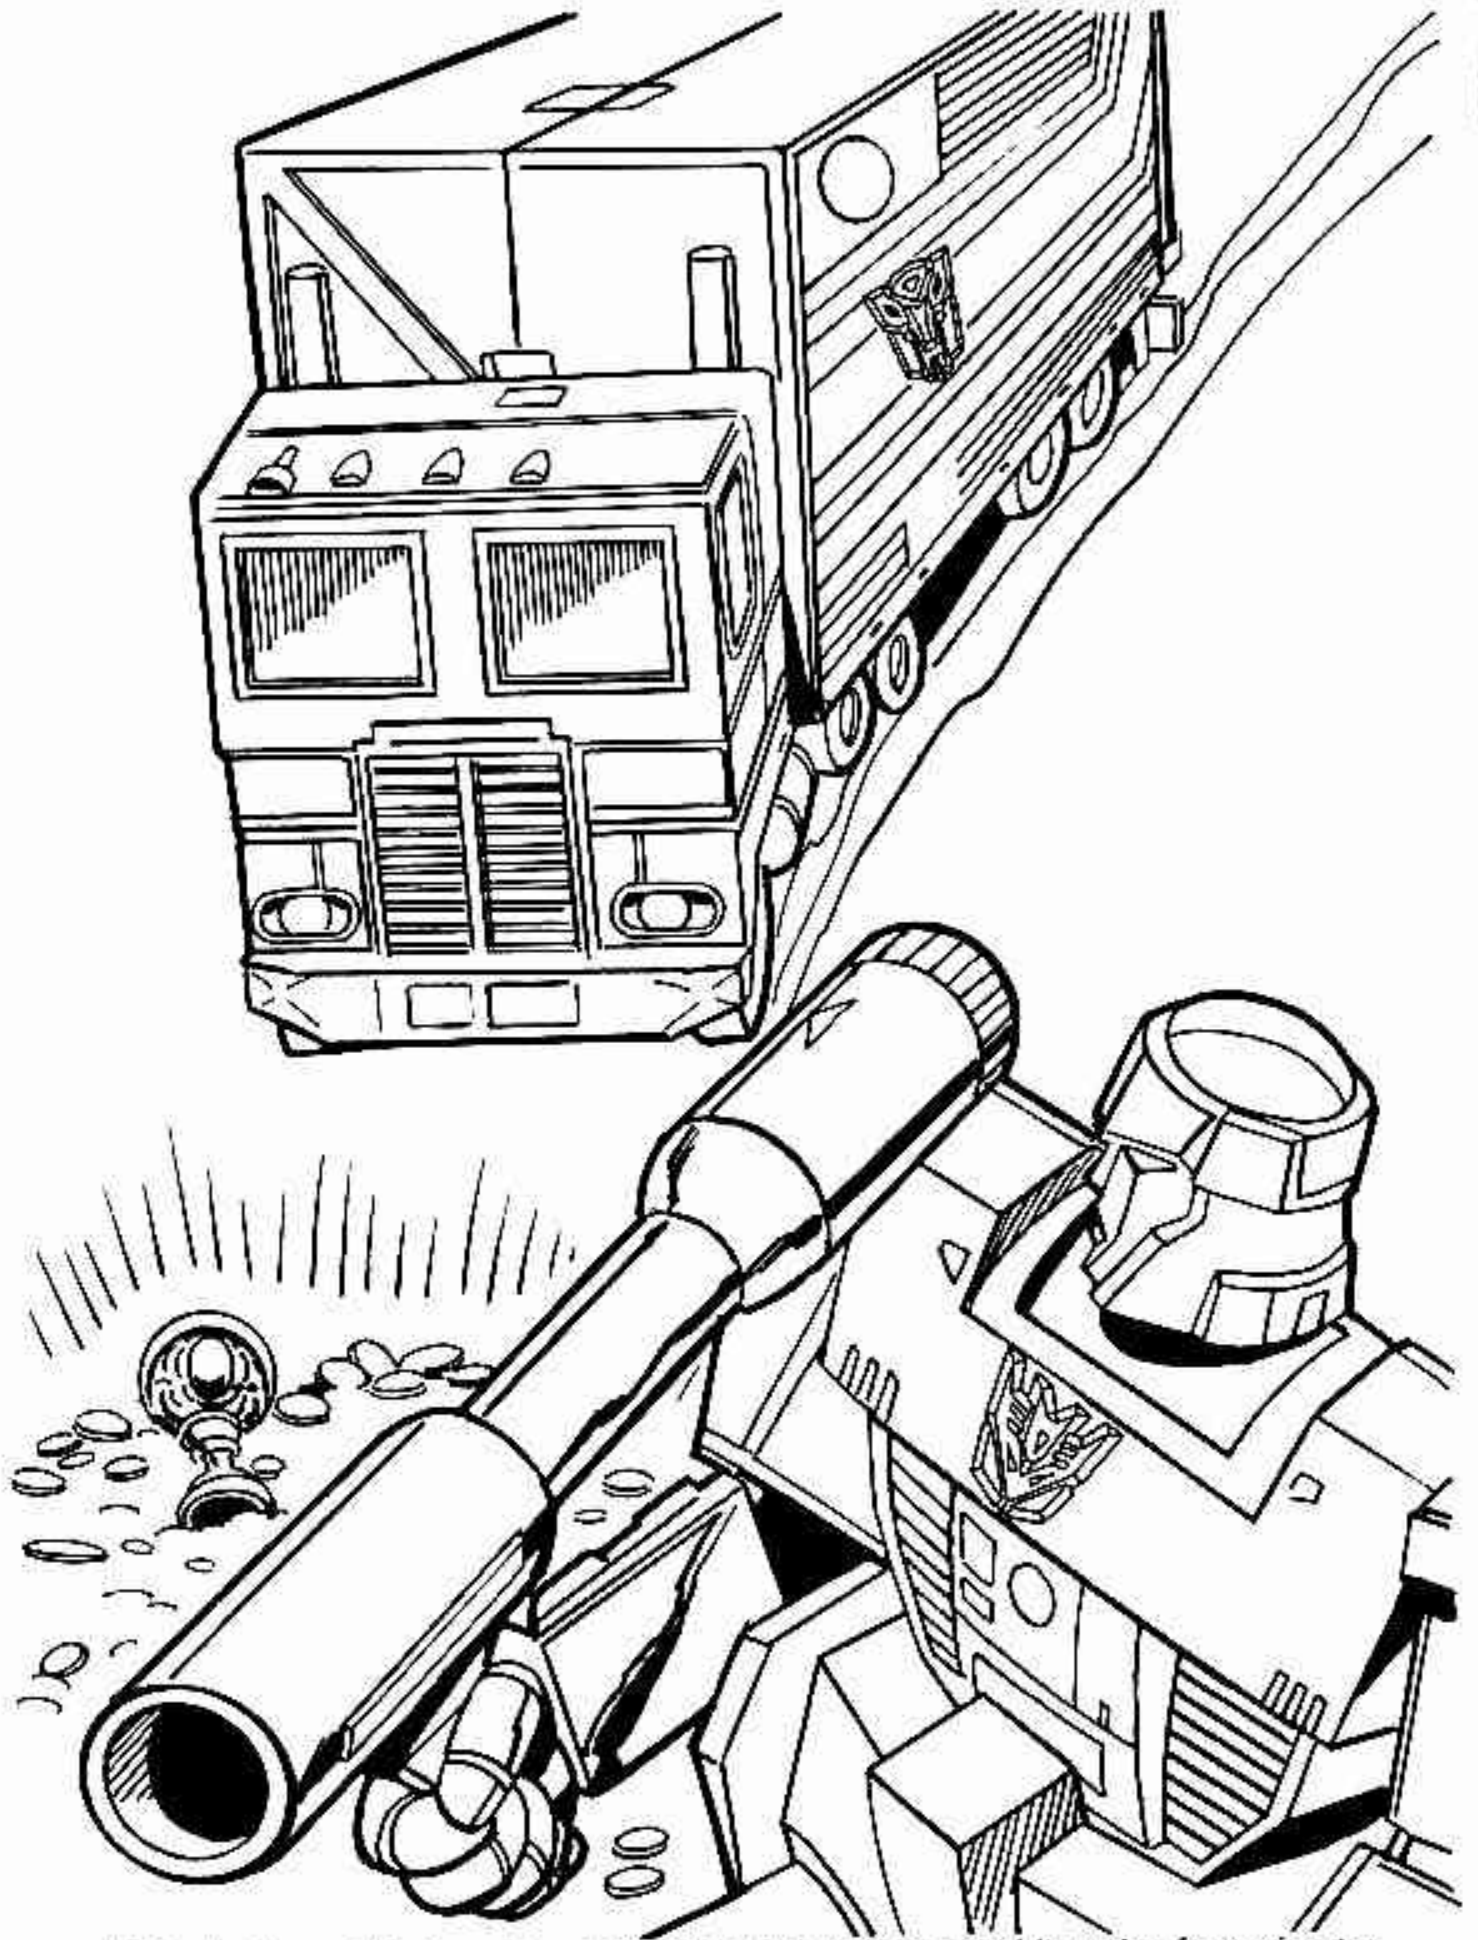

MEGATRON'S UNDERSEA DECEPTICON MAZE

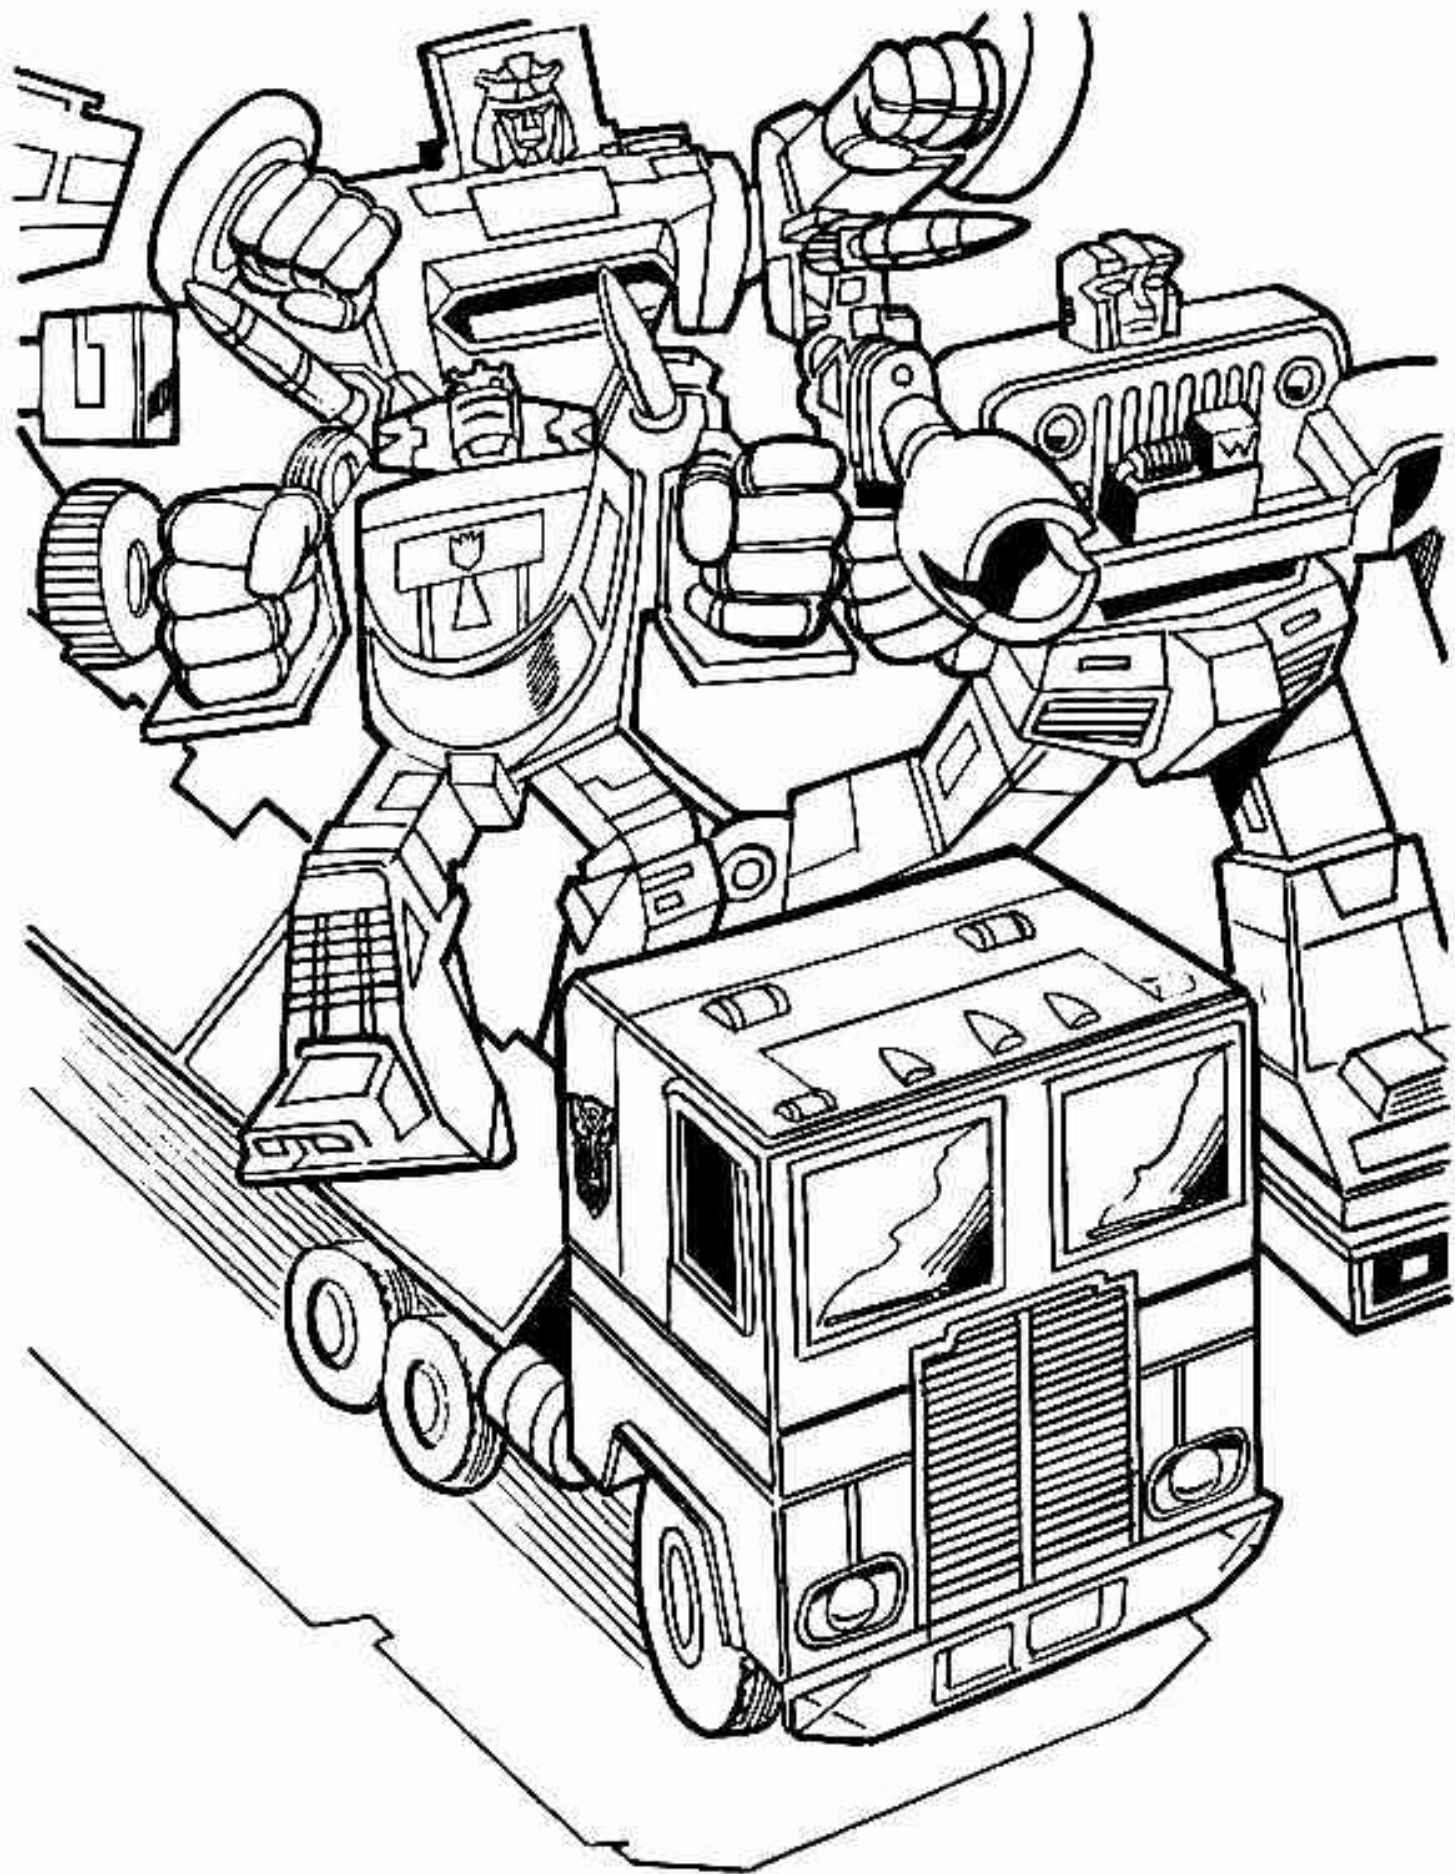

Soundwave and Rumble must take Bumblebee through a special maze Megatron made to fool the Autobots. Find the path Soundwave and Rumble must use to get to Megatron.

"Look at the undersea treasure we found!" says Megatron. "With it we will beat the Autobots once and for all!"

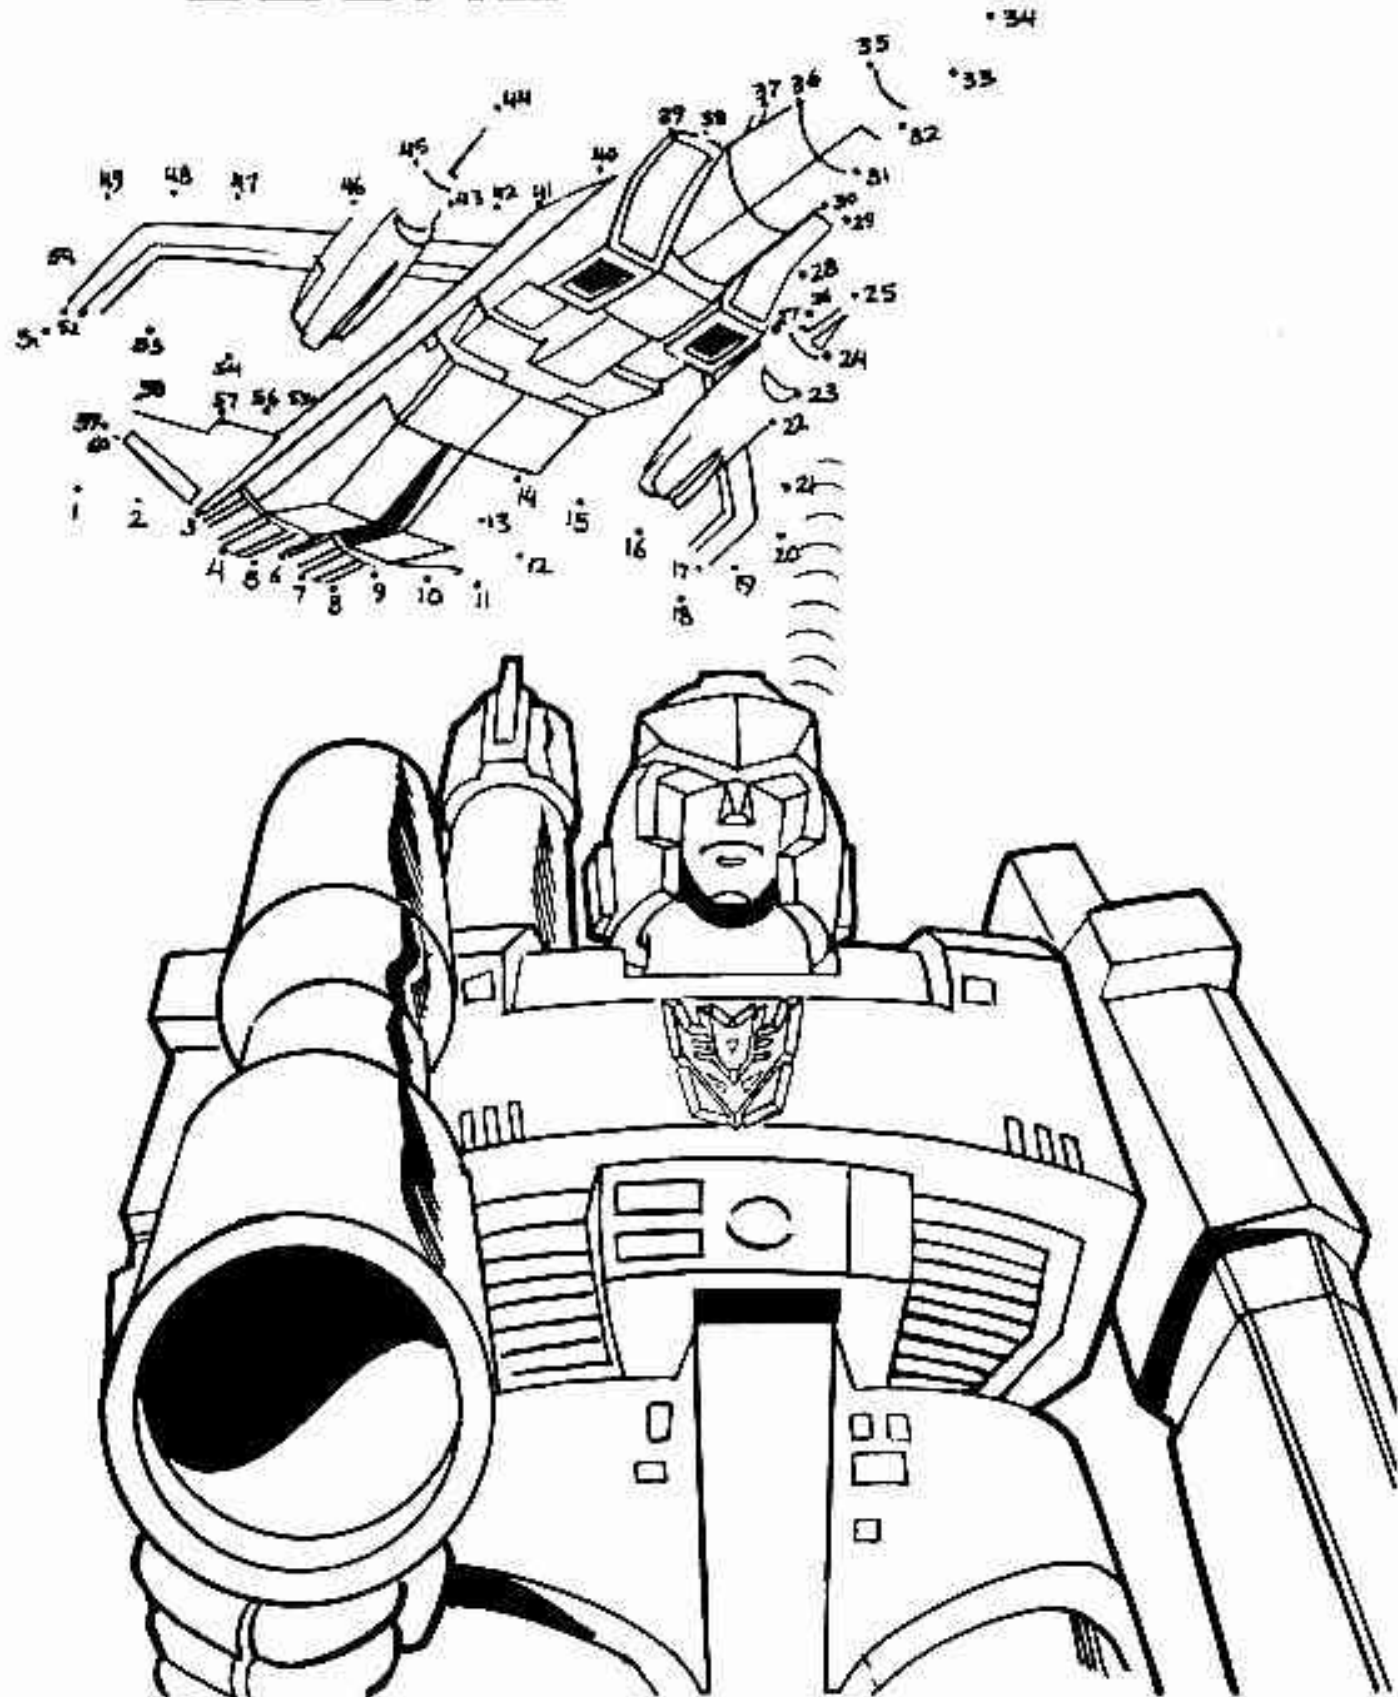

"We shall use this truck to take the gold to town and buy the factories to make Decepticons!" says Megatron.

"That's what you think, Megatron! Attack, Autobots! Save the earth!"
says Optimus Prime.

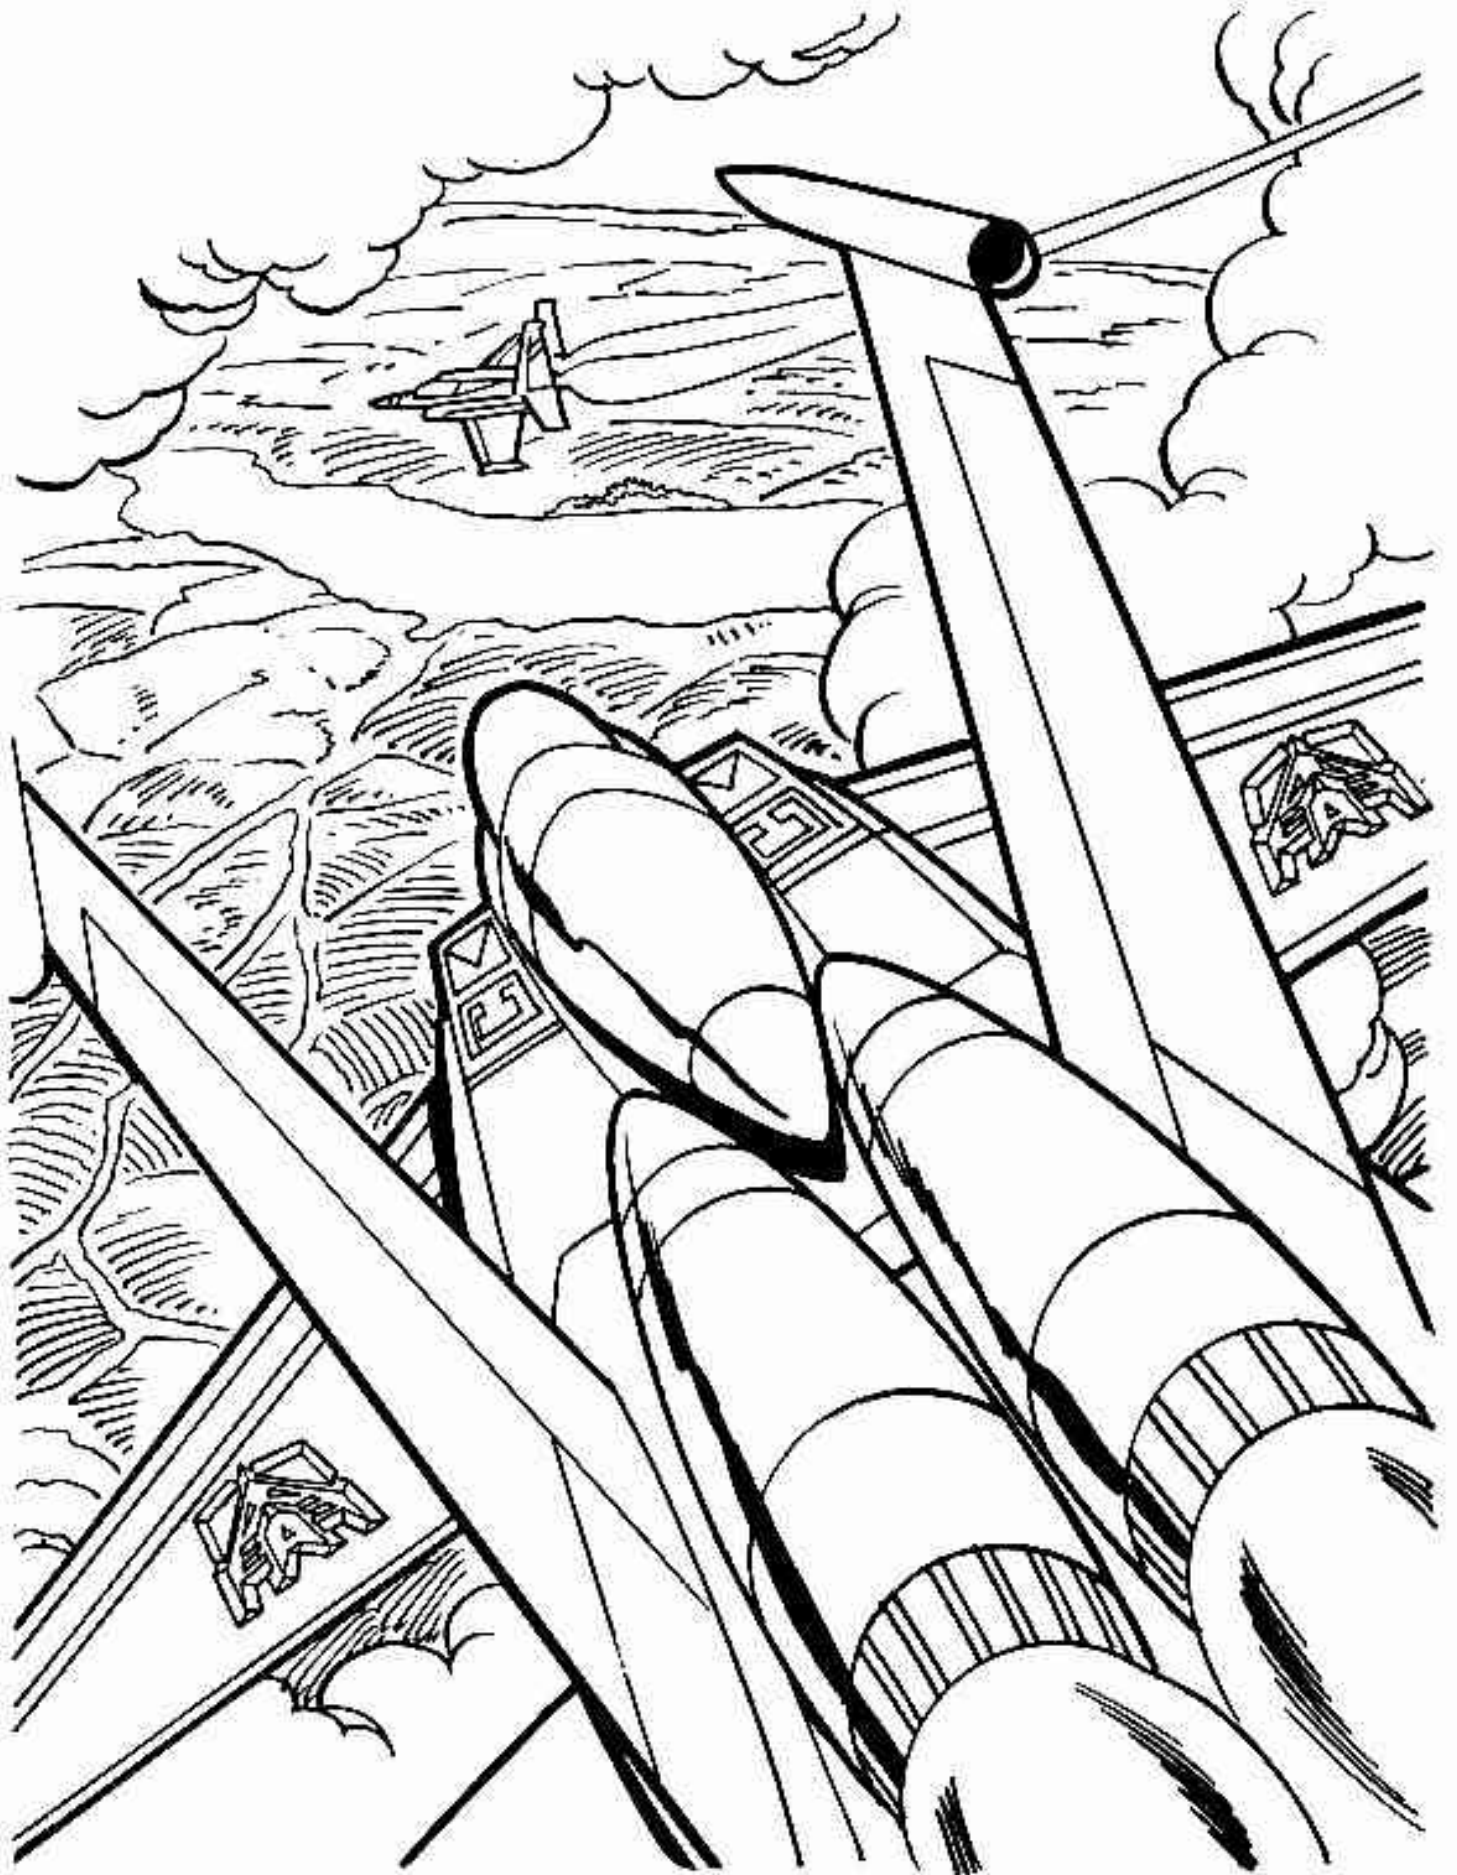

MEGATRON'S SECRET WEAPON

Megatron is sending a secret signal to his secret weapon! Connect the dots so you can see what the weapon is. Then tell Optimus Prime quick!

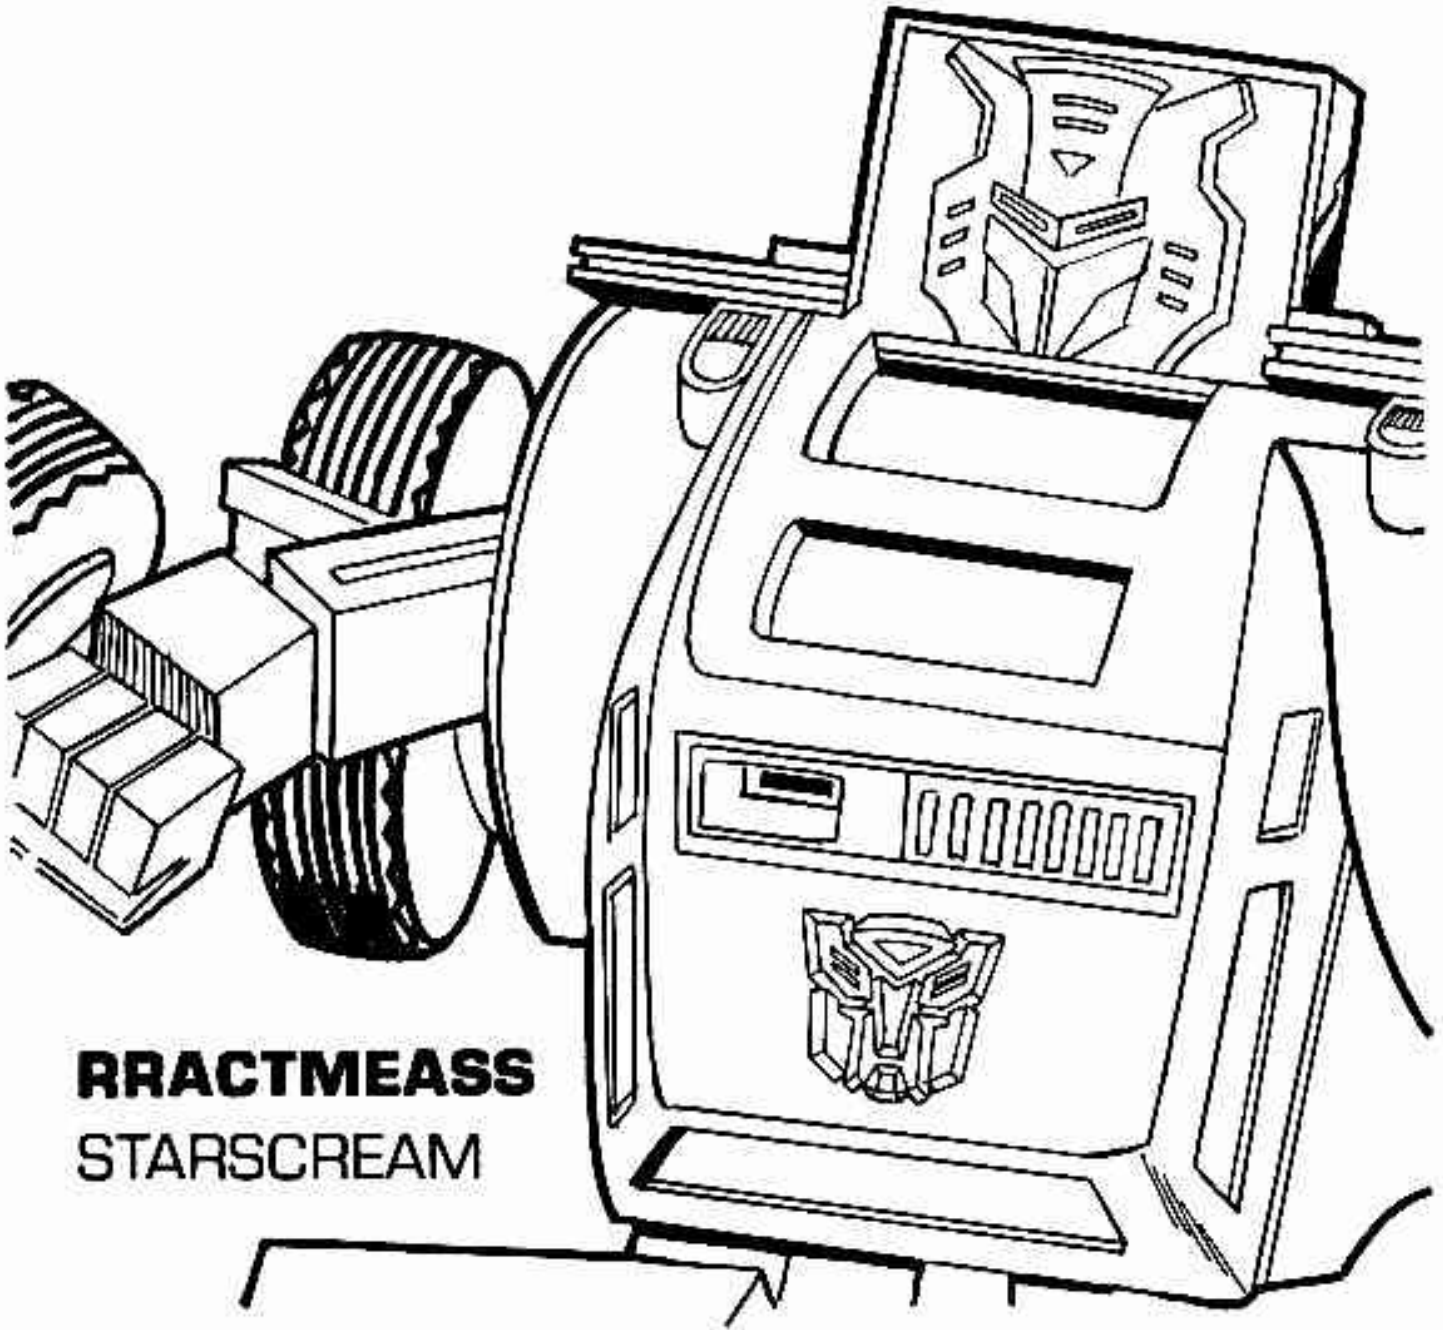

"Megatron says the Autobots are attacking!" shouts Starscream. "Let's hit them high, Thundercracker!"

"Right, Starscream!" says Thundercracker. "We'll strike so fast, the Autobots won't know what hit them!"

BUMBLEBEE'S SUPER-SIGHT SECRET MESSAGE

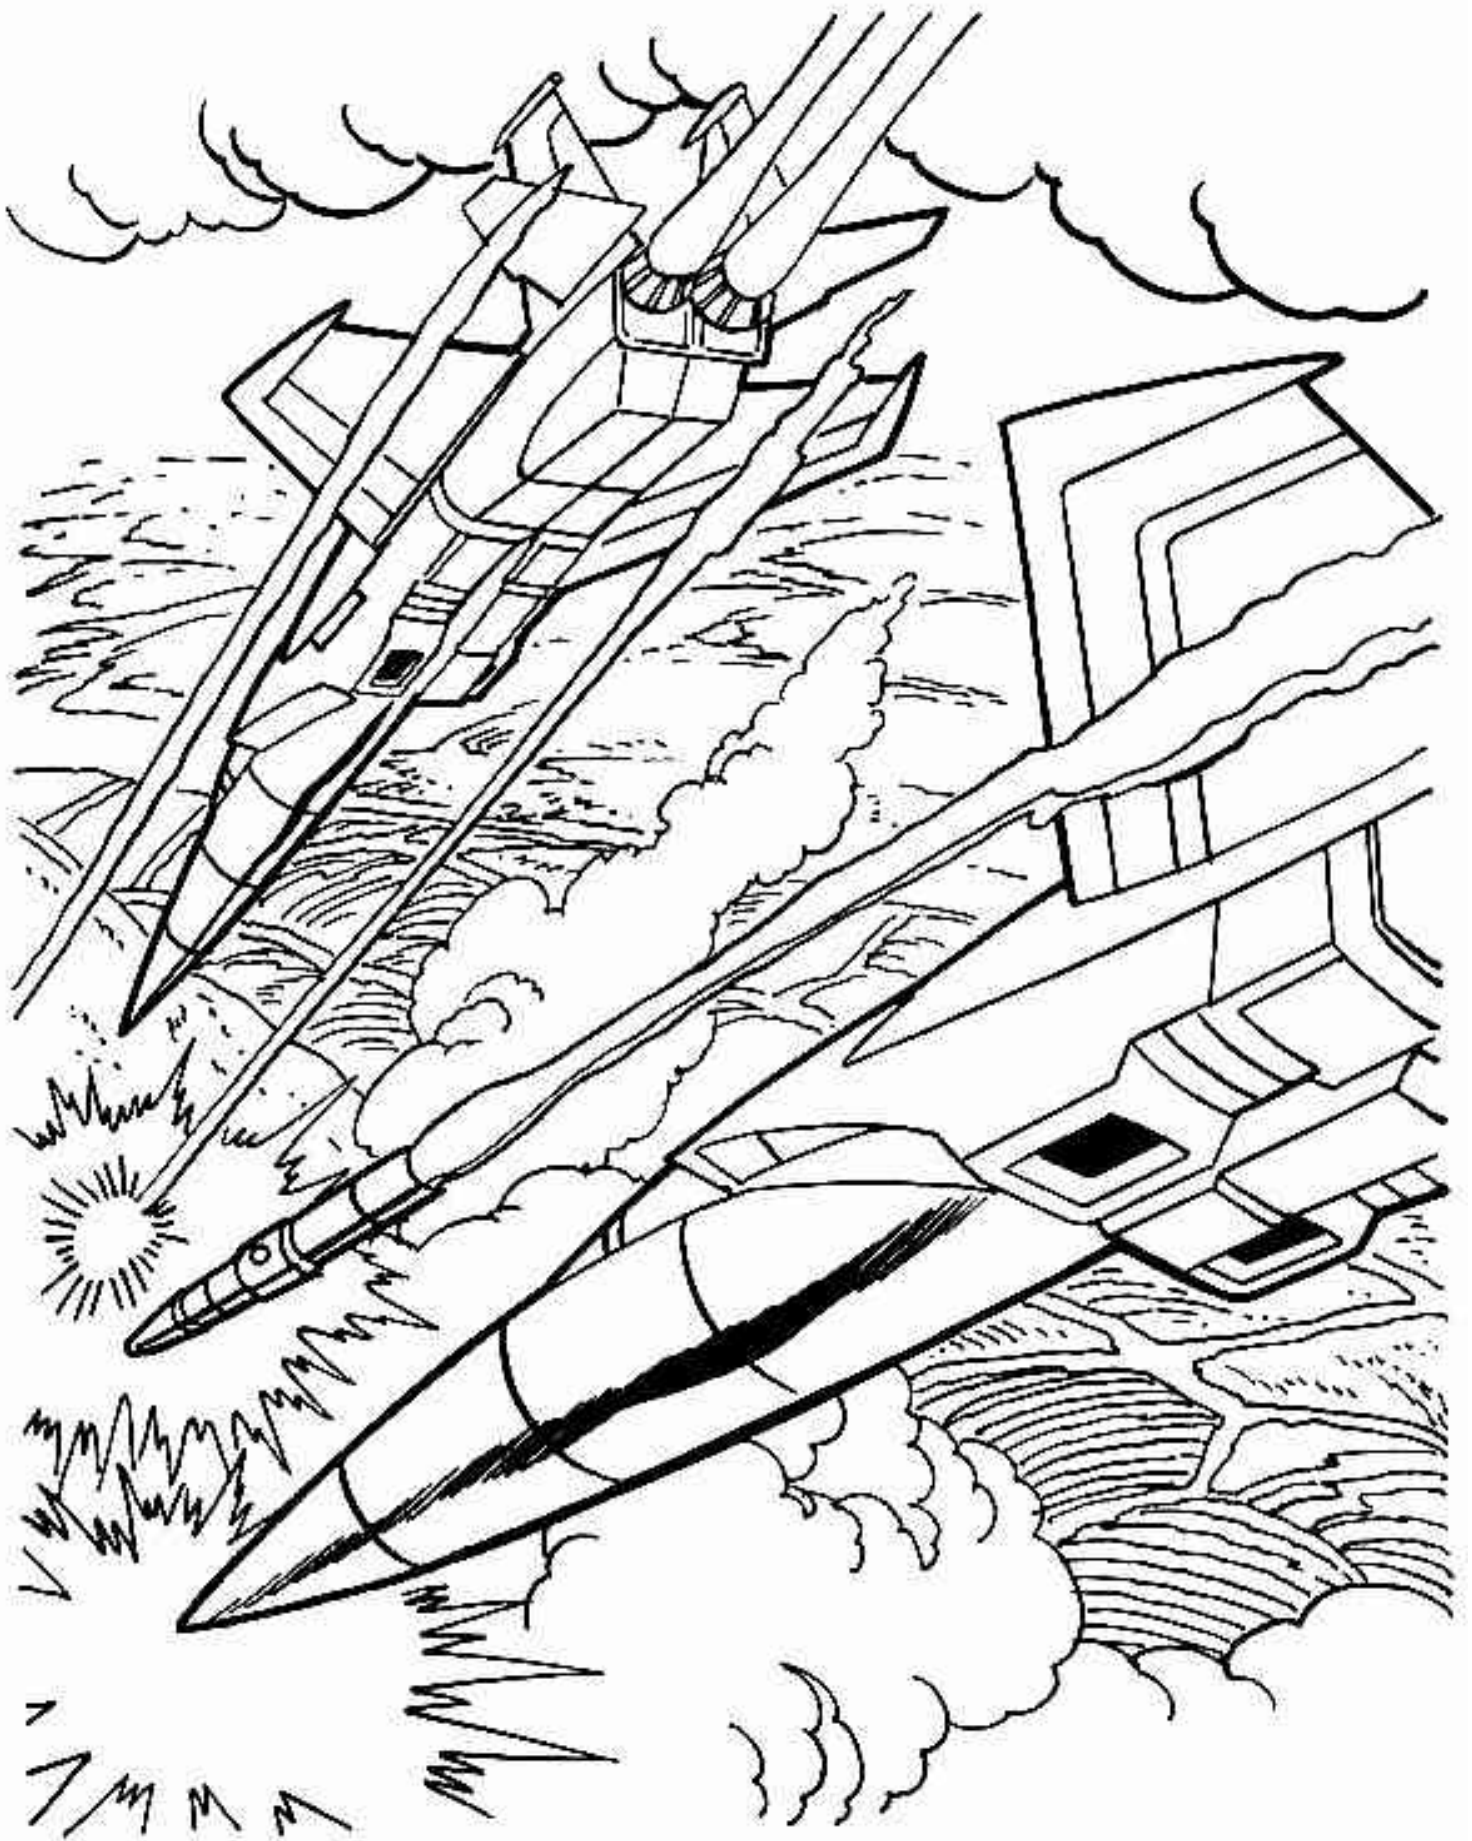

RRACTMEASS
STARSCREAM

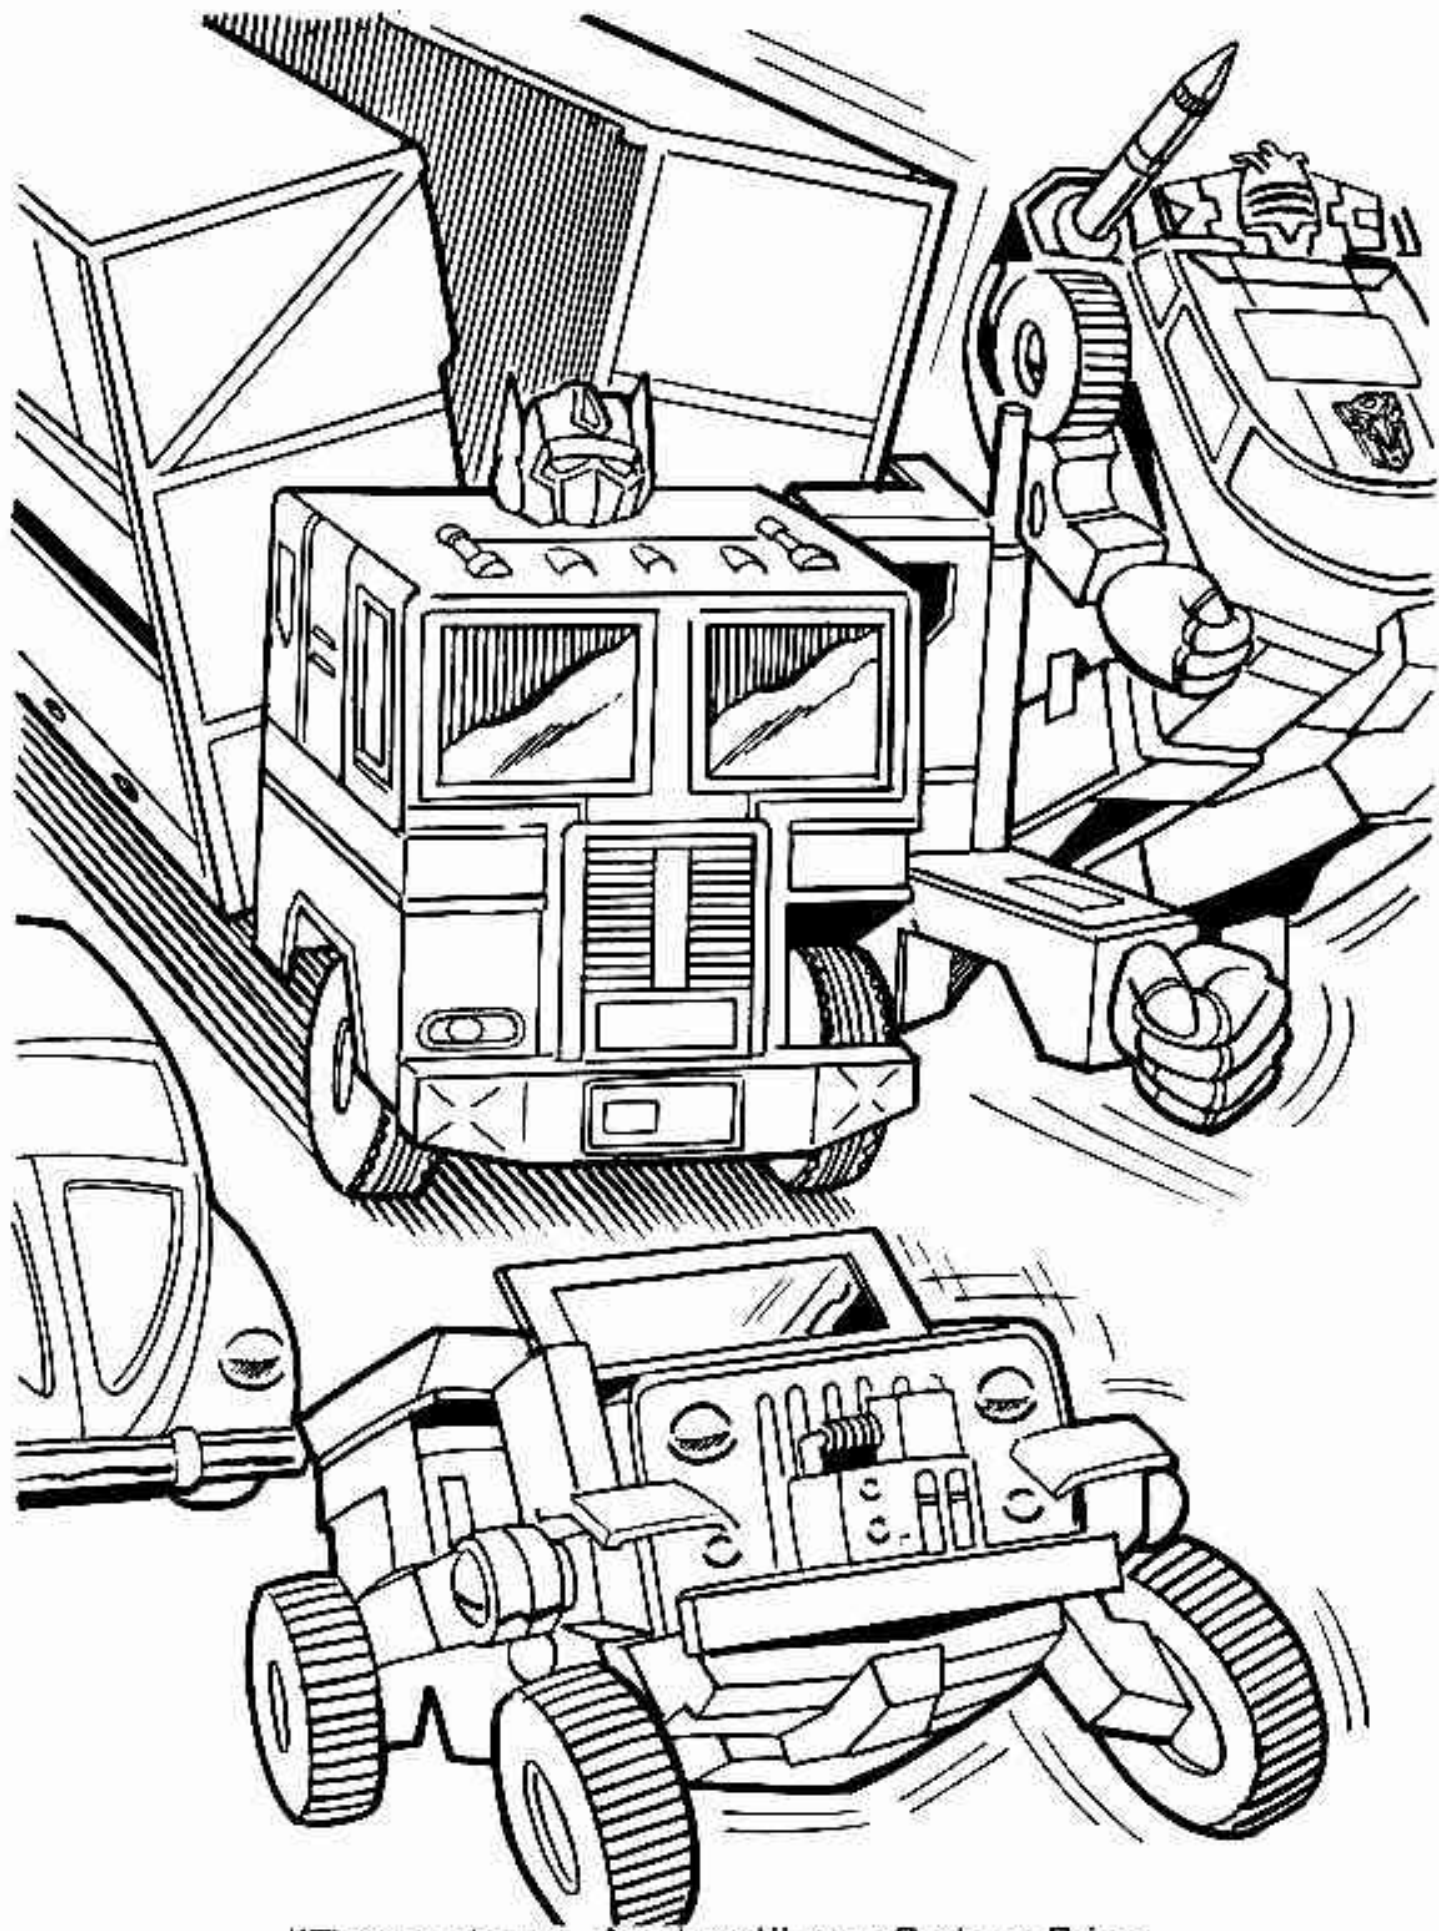

ADN DERUNTHRACCKER RAE TTAACKING!

Starscream and Thundercracker are attacking!

Bumblebee sees something in the sky! He tells Optimus Prime his message in code because he doesn't want Megatron to hear it! Help Optimus Prime out! We've unscrambled the first word for you. Unscramble the rest before Megatron attacks!

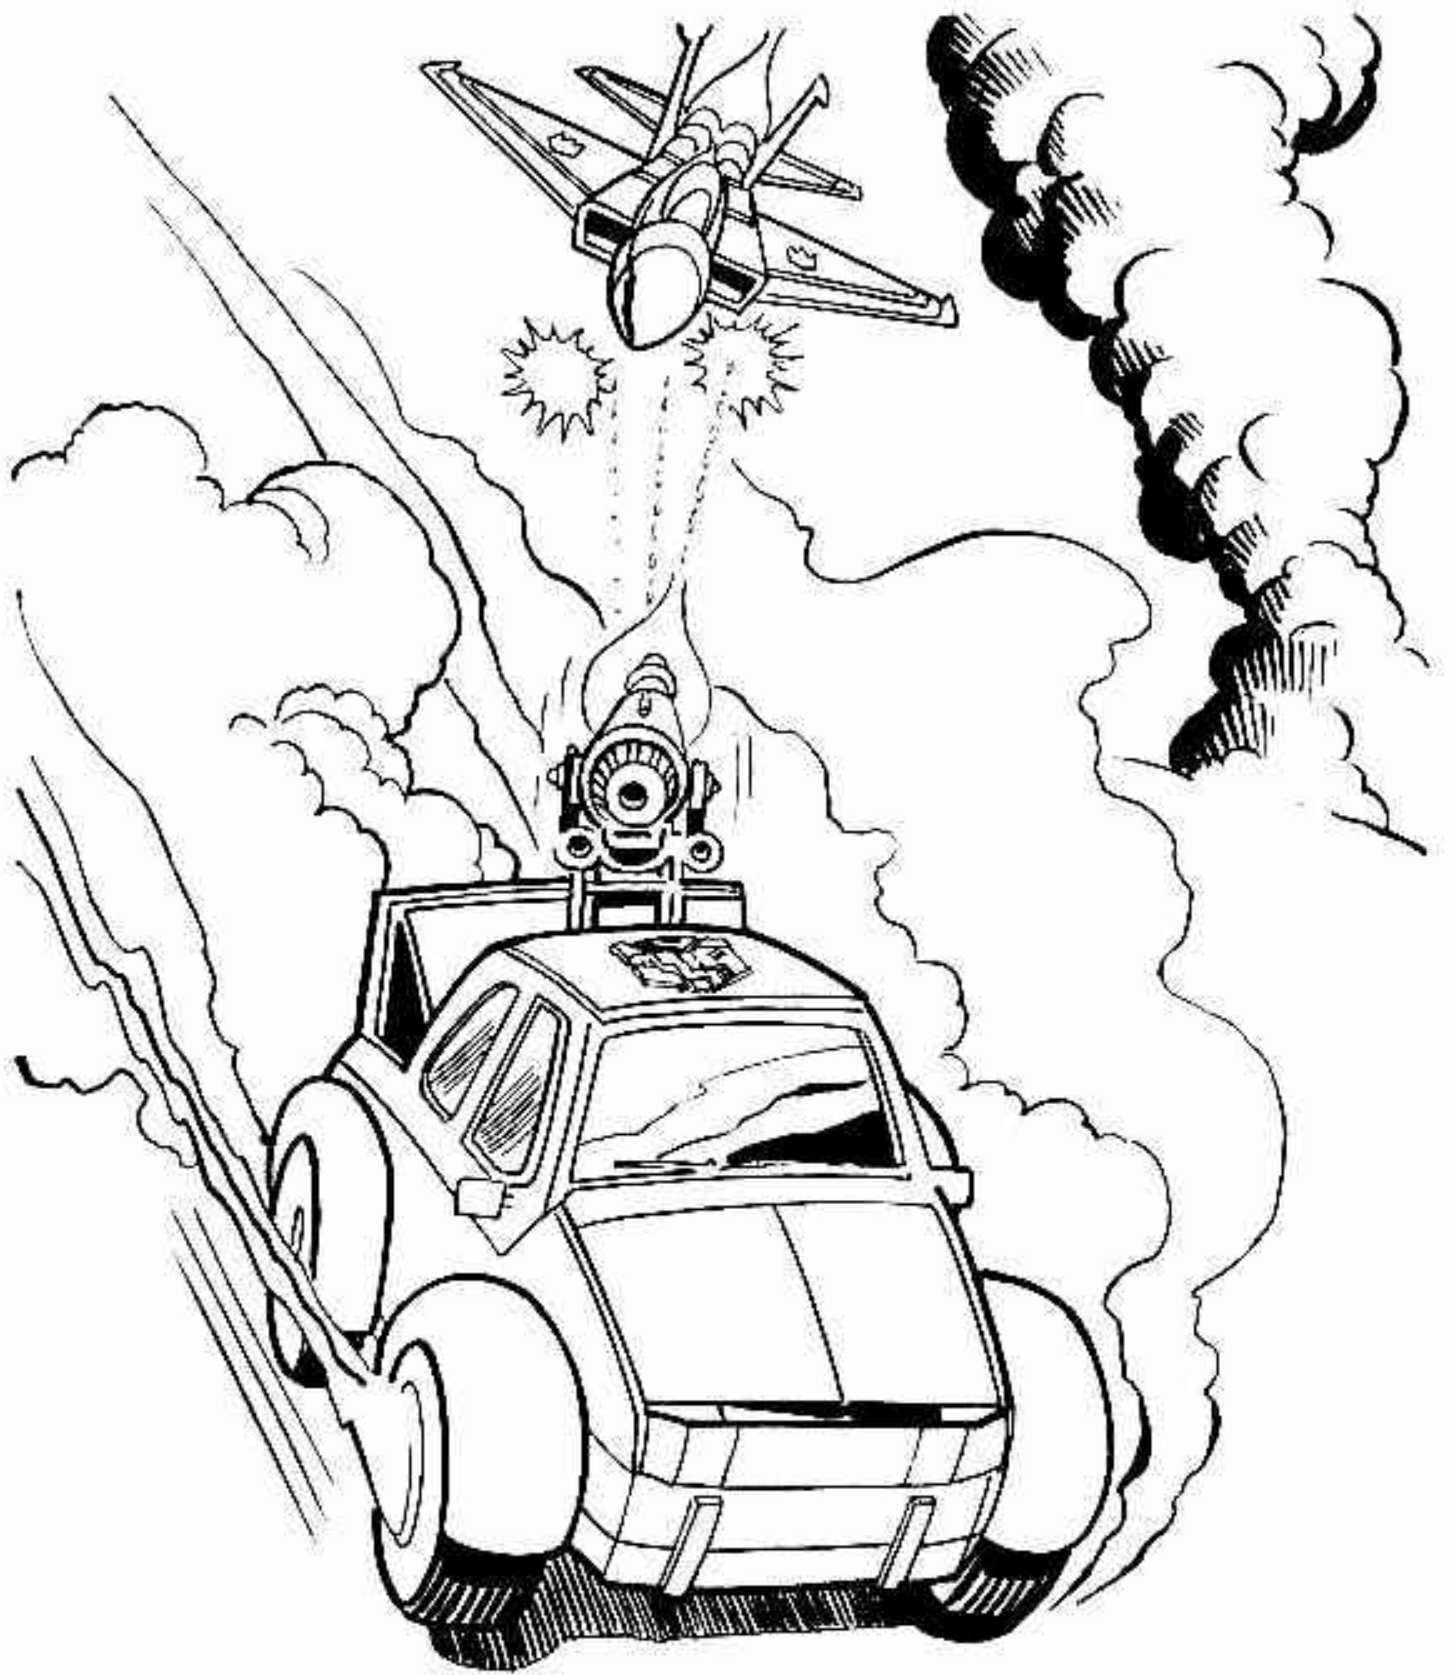

"Our rockets will knock them out!" says Starscream.

"Time to change, Autobots!" says Optimus Prime.
"Fight back on four wheels!"

"Yahoo!" says Sparkplug and Spike. "Those rocket blasts are bouncing off like rain!" "Right!" says Brawn. "Nothing can hurt me!"

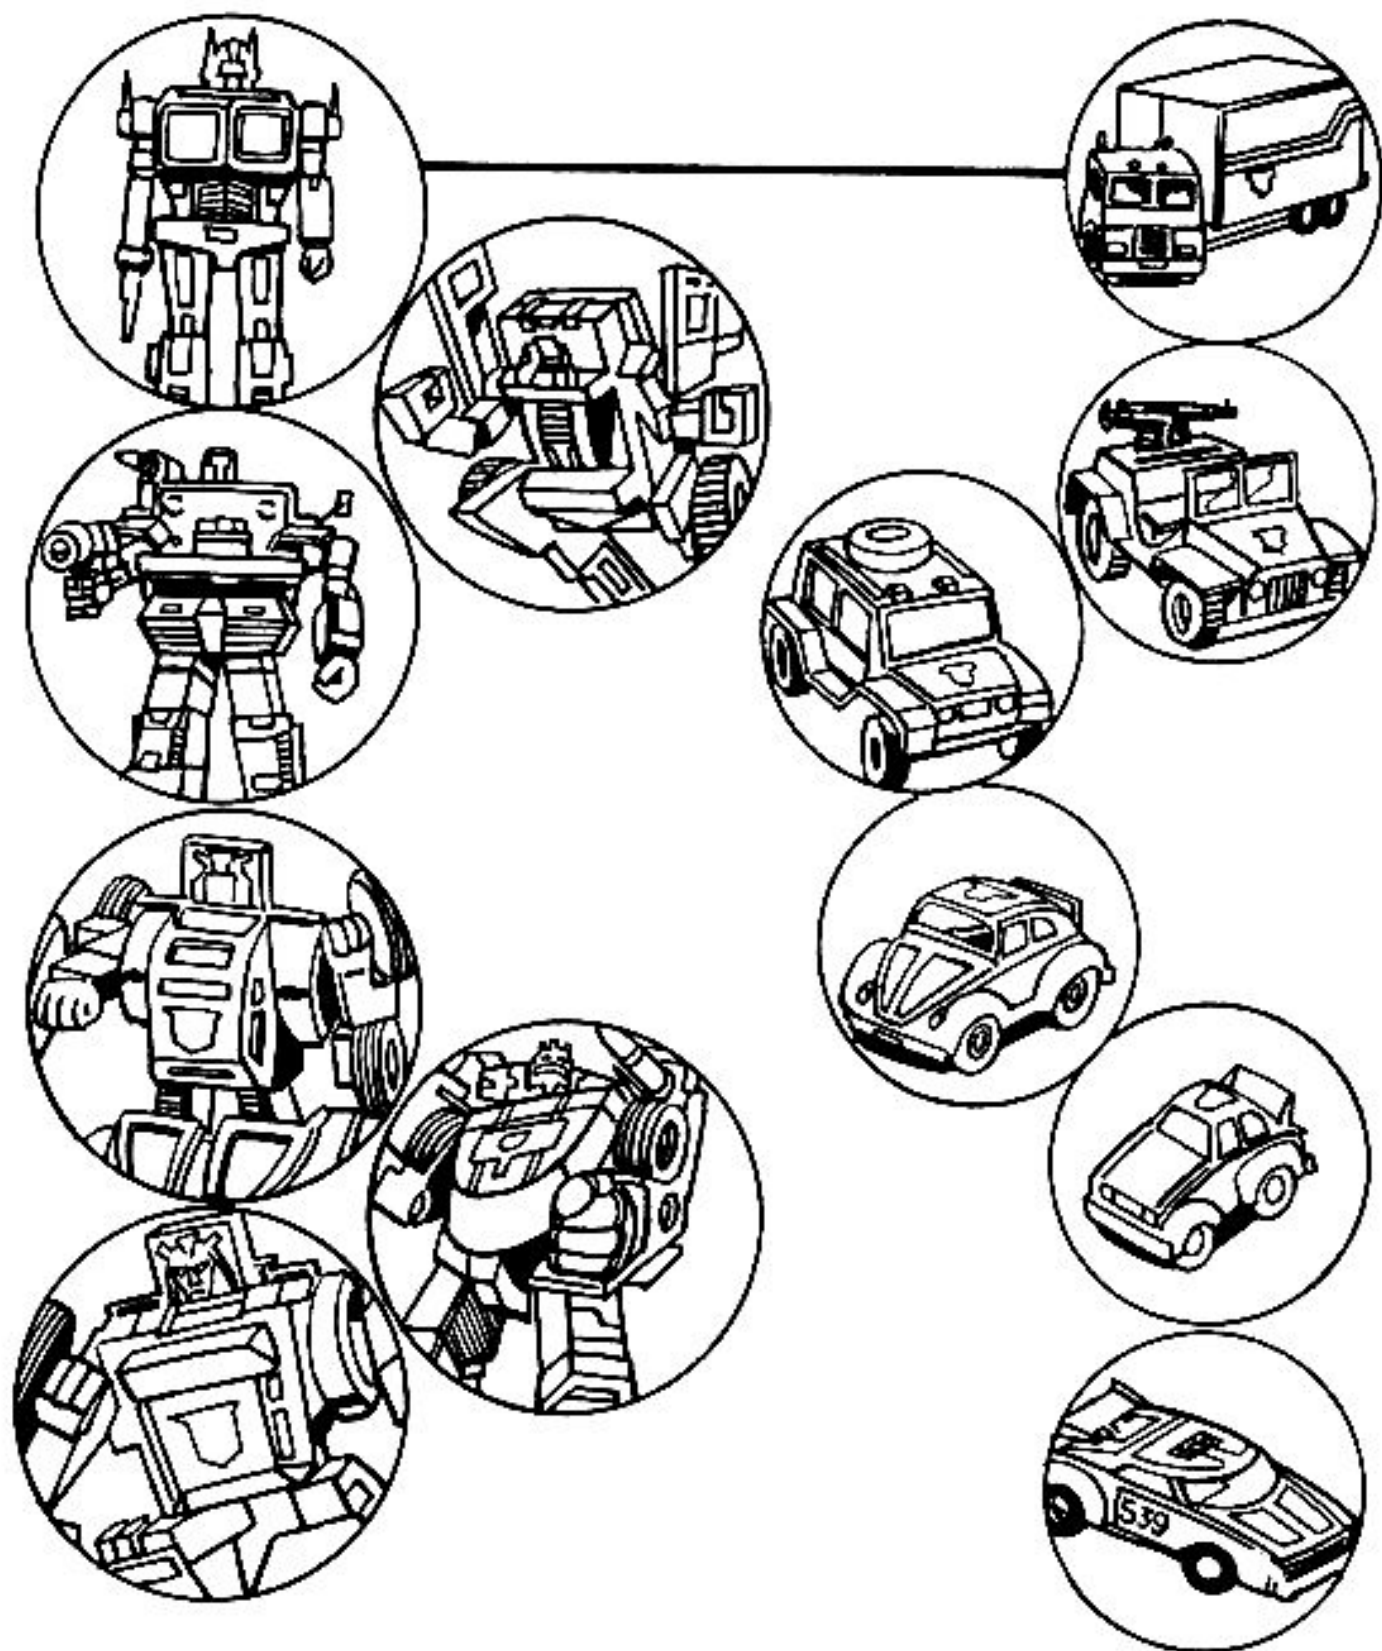

"You can't run away from me, Cliffjumper!" says Thundercracker.
"Then I'll have to do this!" says Cliffjumper.

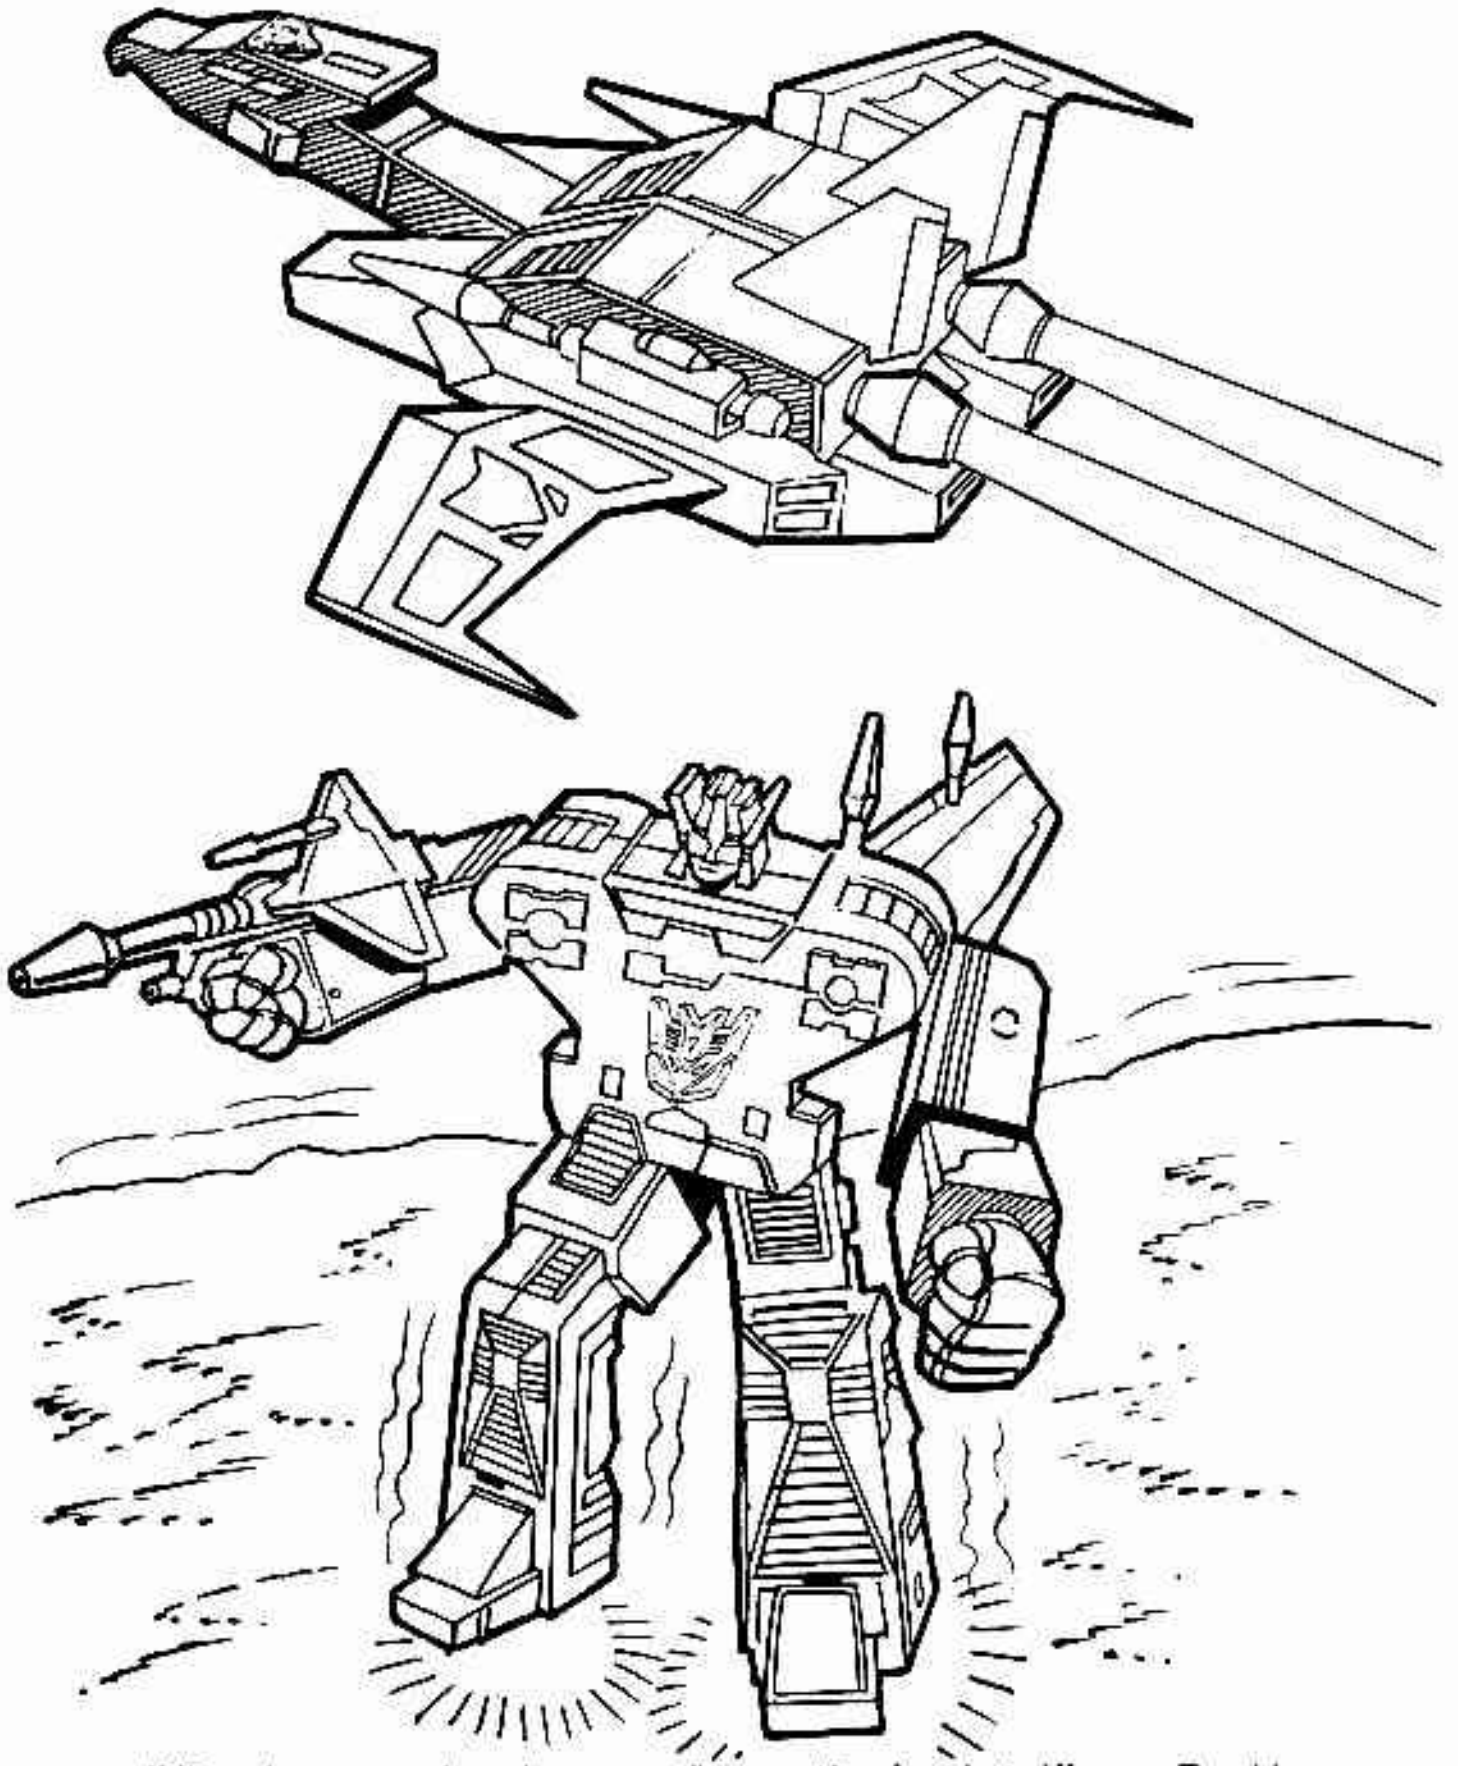

"Yow! Glass gas!" says Thundercracker. "I must leave before I break!"

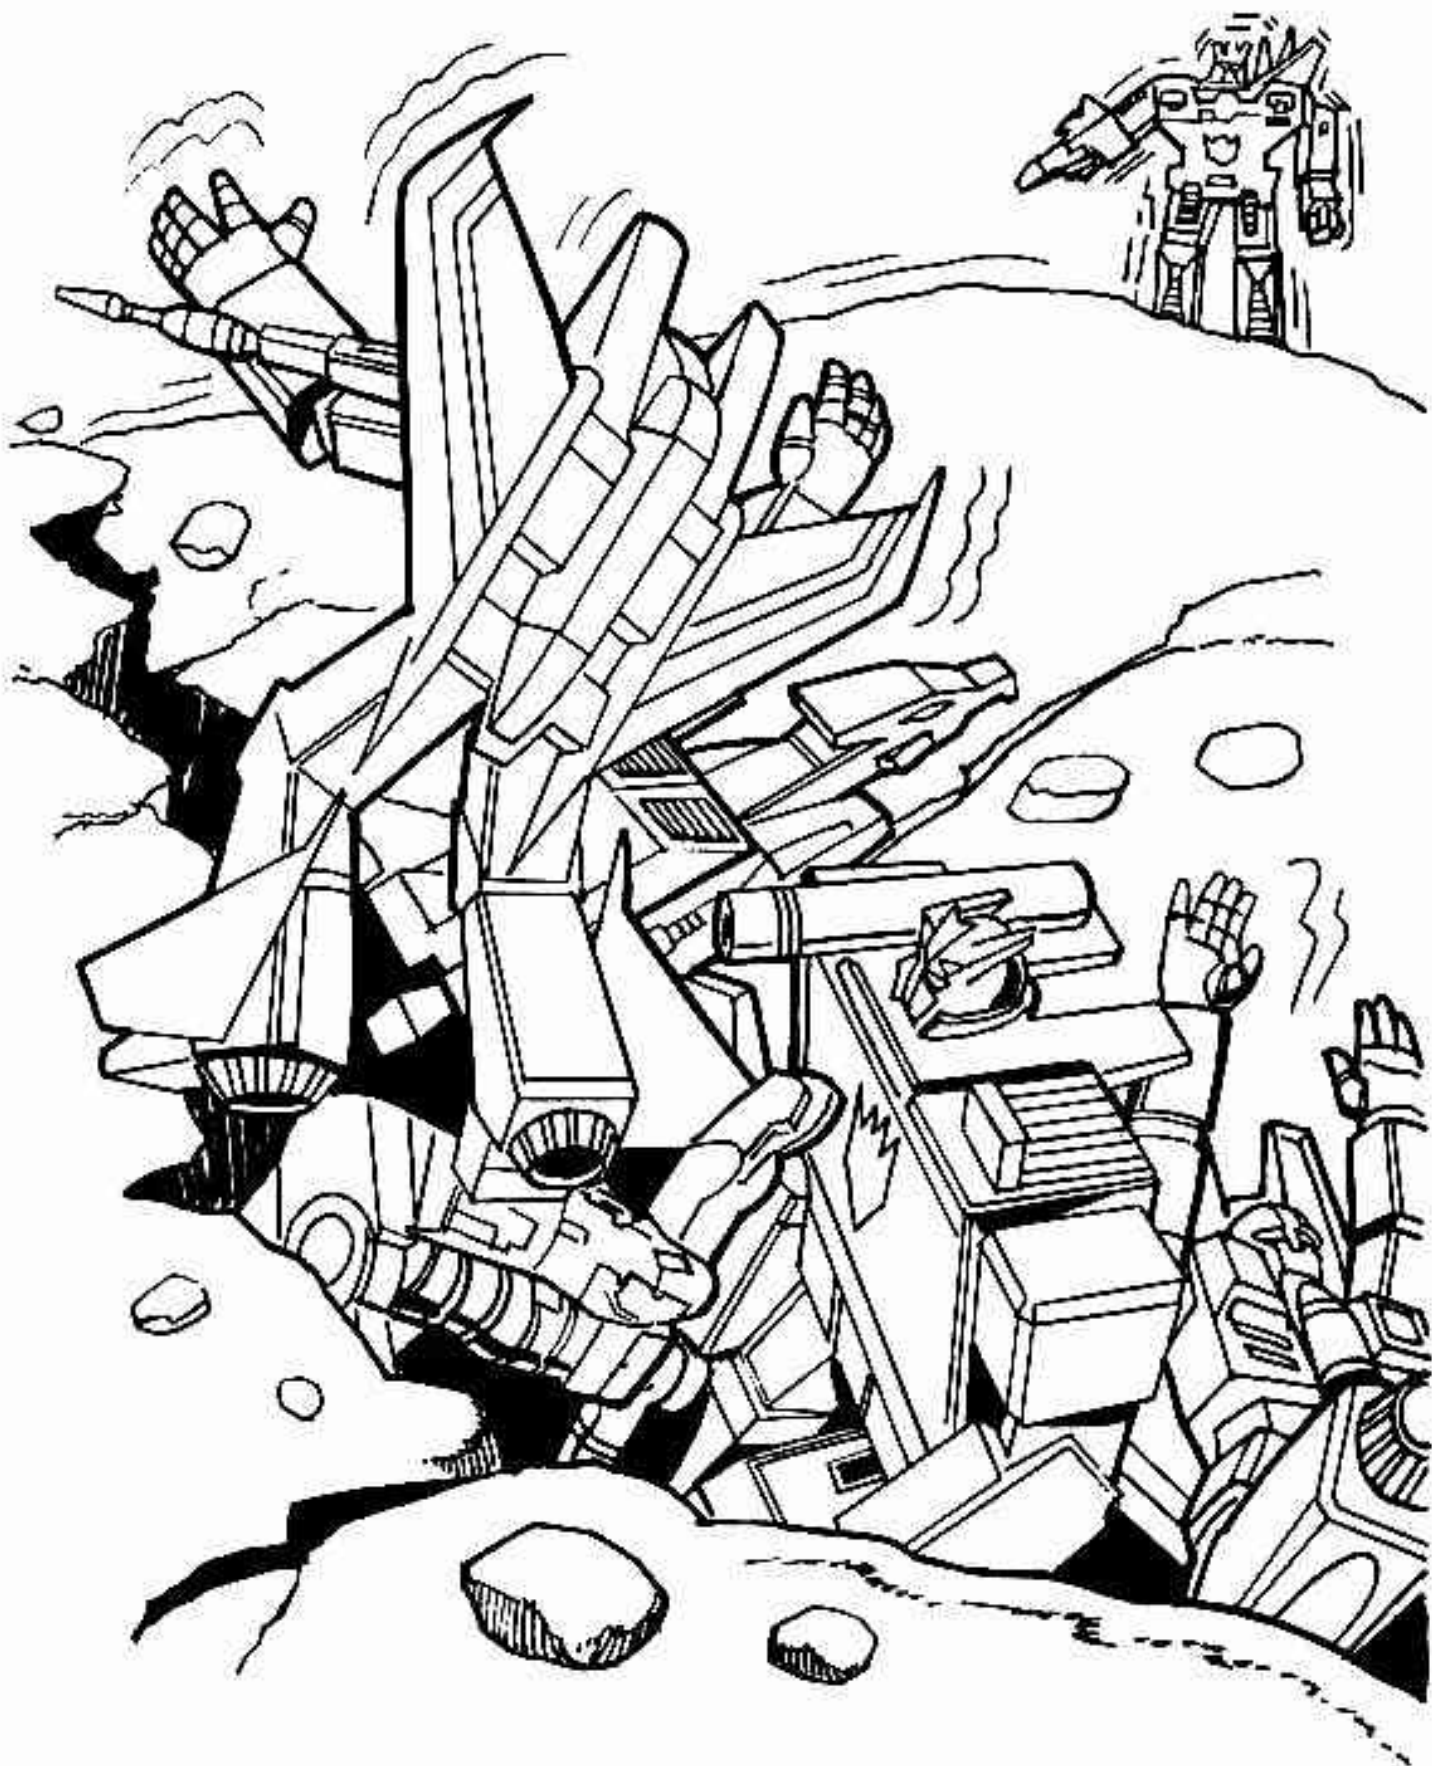

MATCH THE AUTOBOT ROBOT AND VEHICLE

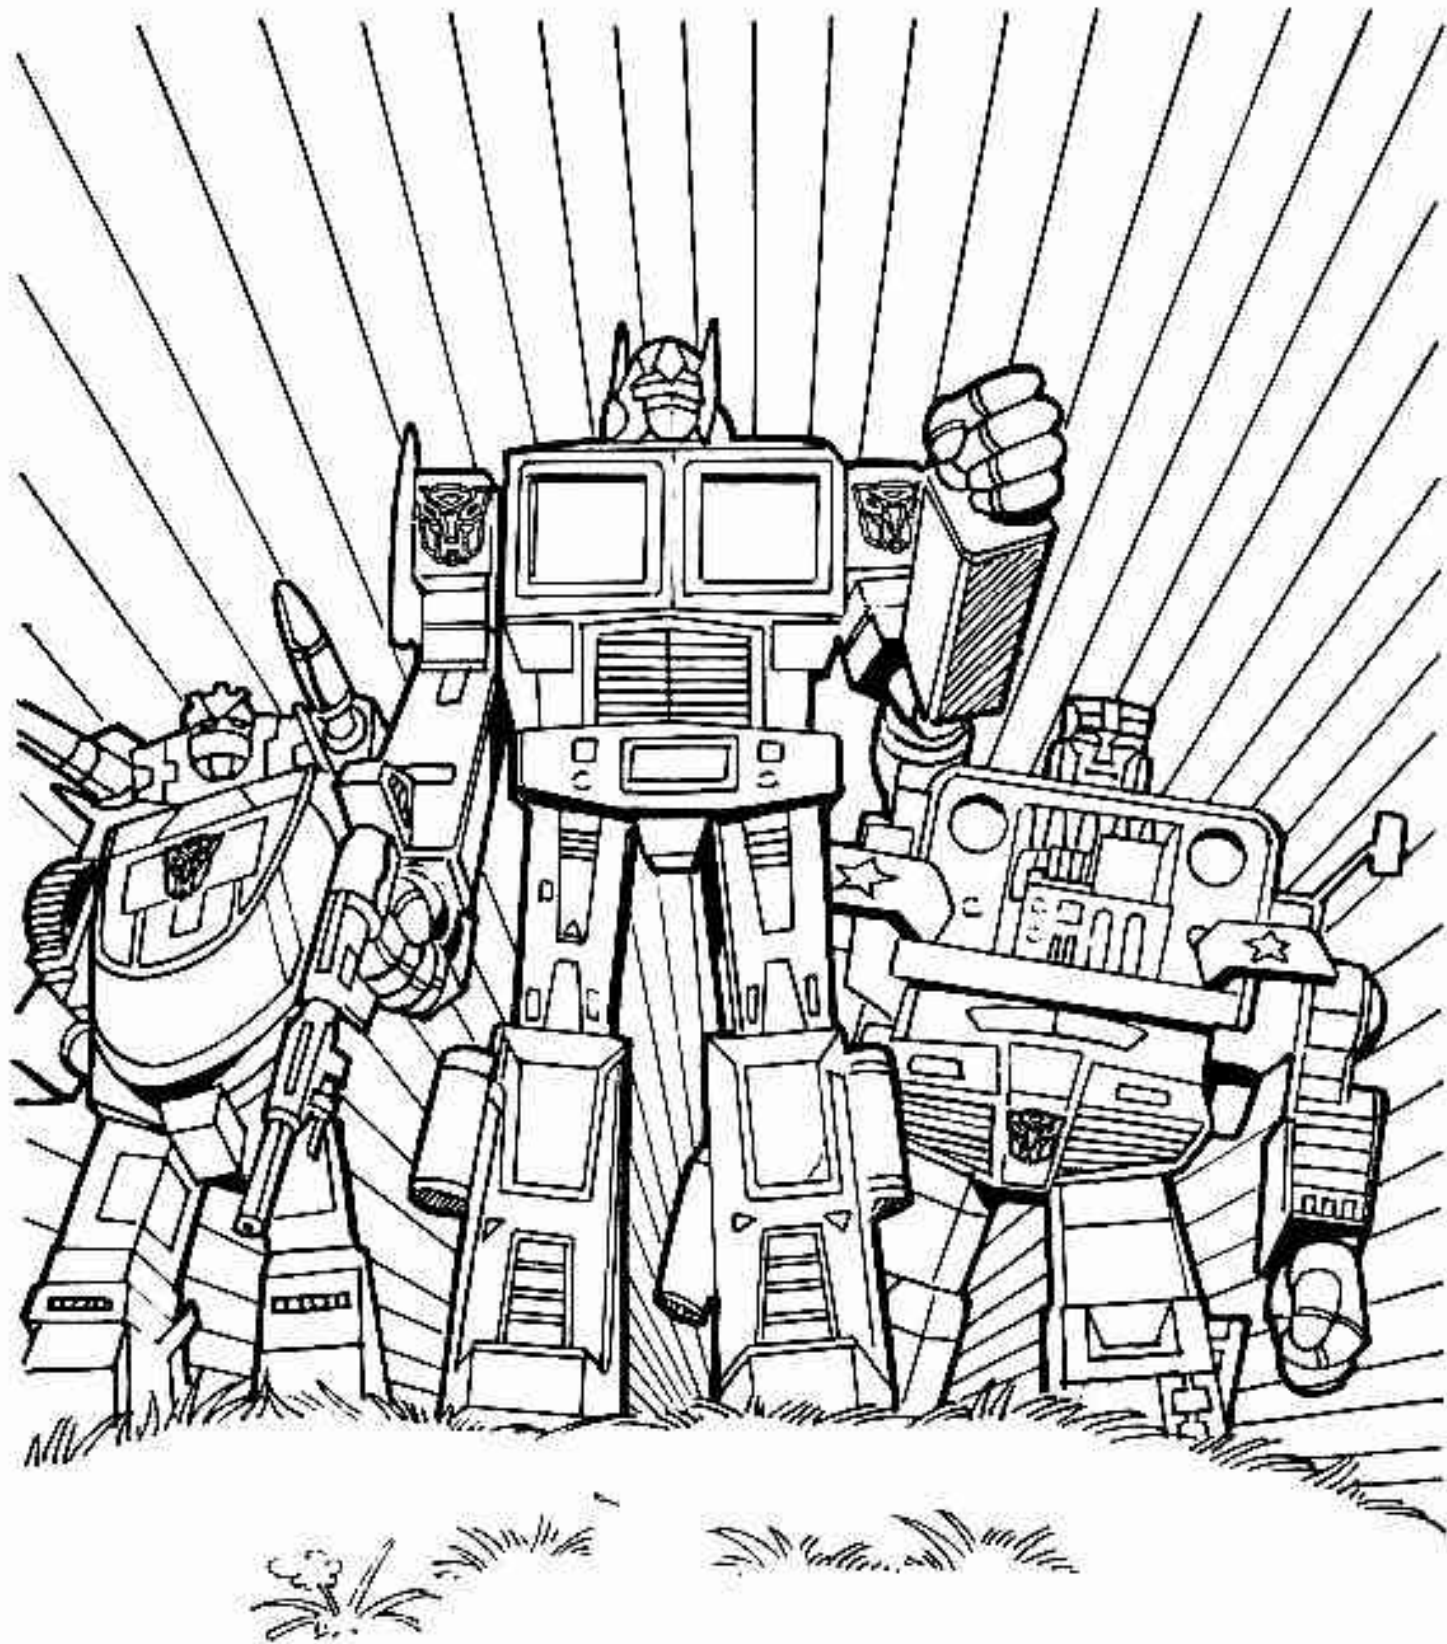

Draw a line connecting the Autobot robot to the vehicle it can turn into!
We did the first one to show you how!

"I'll make an earthquake to swallow up the Autobots!" says Rumble.
"Yow! I'm leaving!" says the cowardly Laserbeak.

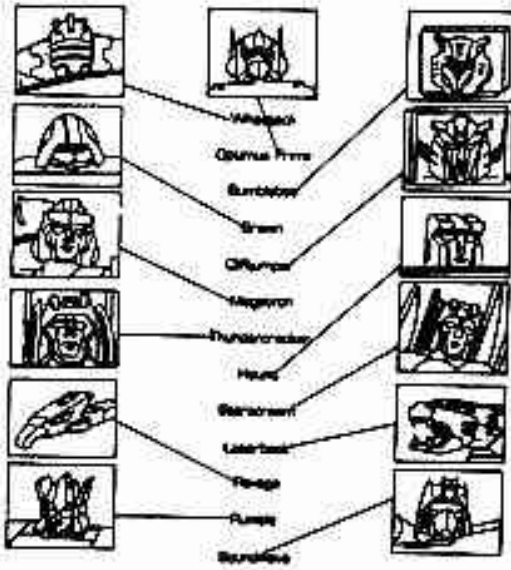

"Oh no!" says Rumble. "The earthquake is swallowing us and not the Autobots!"

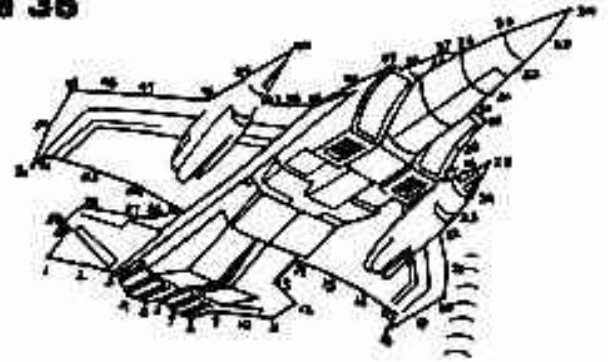

"The Decepticons will be back! says Optimus Prime. "But, we will stop them because we are the Autobots!"
